THEIR WORLD will be open to the public, next Friday through Sunday, when members of the Walnut Creek Model Railroad Society hold their annual exhibit. Shown is E. C. Nevins, Society secretary-treasurer. The exhibit attracts each year hundreds of dads, kids, even mothers. Location is south of the Southern Pacific Railroad Station, Walnut Creek. Admission: 50 cents adults; 25 cents, children. —Sun photo by Bob Rush.

## Sheriff's Office Plagued As Break-Ins Continue

Sheriff's deputies were plagued again this week with a rash of burglaries, break-ins and vandalism.

The biggest single burglary took place at the home of Nobel McCarthy, 1 Ramon Court, Danville.

The McCarthy home was entered through a front bedroom window some time last Sunday evening while the family was out.

McCarthy estimated the loss of guns, radios, watches, clothing, cameras and cash at \$1500.

MATILDA Green of 190 Greenway Drive, Walnut Creek, reported that her home was ransacked last weekend when burglars broke a side door window. Two radios and several tools were taken.

Roy Estep, 42 Audrey Lane, Pleasant Hill, reported to the sheriff's office that his home had been entered last Monday. He said a small amount of cash and two wristwatches valued at \$65 had been taken.

A mink coat valued at \$2500 when it was new five years ago was reported missing by Adrienne Esquibel, Raymond Court, Walnut Creek.

The coat could have been taken any time in the last week, the sheriff's office said. Mrs. Esquibel had more than 30 people in the house during that time inquiring about furniture she had for sale. Nothing else was taken.

A. L. Burgess, 2730 Jones Road, Walnut Creek, reported to the sheriff's office that his hotdog stand in San Ramon was robbed of a metal money box last Thursday night or Friday morning. The burglars entered through a rear window.

BURGESS did not know the amount taken, but said the previous day's receipts were kept in the metal box, the sheriff's office reported.

A case of whiskey valued at \$45 was taken from the garage of P. W. Kohlhaas, 600 Minor Road, Orinda, last weekend, according to Mrs. Kohlhaas.

Dr. A. A. Orey, 32 Crest Way, Walnut Creek, had his black leather doctor's bag with various instruments and medicines taken from his car some time during the last week. A brand new set of golf clubs were also in the car, but were left behind.

The license plates, bracket and light were taken from a motor-

cycle owned by F. A. Wilson last Friday evening from in front of his home at 1924 Elinor Drive, Pleasant Hill.

THREE SCHOOLS, Diablo Country Club and the San Miguel Estates in Walnut Creek reported cases of burglary or malicious mischief in the past week.

San Ramon High School reported that someone had entered the school and ransacked several rooms. A window was pried open to gain entrance. An inventory is being taken to see if anything is missing, sheriff's deputies said.

Marywood and Fairview Schools in Lafayette reported that their buildings had been entered over the last weekend. Two persons were seen entering both schools. Apparently nothing was taken, according to school officials.

A teacher reported that three men had tried to enter the Fairview School earlier in the week. The San Miguel Estates reported that the property of M. W. Dudley, 400 Arbol Way, had been vandalized, the mailbox knocked down as well as his signpost.

County street signs and four right of way posts were pulled out of the ground.

MORE THAN \$600 in damage to gas golf carts and several greens was reported by the Diablo Country Club last Saturday.

A golf storage shed was broken into and several golf carts taken. The persons then drove the carts on the greens, deliberately tearing up the grass. The carts were abandoned after being damaged by the occupants, who rammed into flag poles and other objects on the course.

Two cases of promiscuous shooting were reported to the sheriff's office in the last week.

## Orinda Lions To Hear Teamsters Union Discussion

Guest speaker at Wednesday's meeting of the Orinda Lions Club will be Arnie Weinmeister, former all pro tackle with the New York Yankees.

The meeting will be held at 7:30 p.m. at the Casa Orinda. Weinmeister is now coordinator of community relations of the western conference of teamsters. His talk will be on the subject, "How Essential Is the Teamsters Union to the National Economy?"

## Oakland Man Dies In Orinda

Frank Hilken, 55, an Oakland police officer, died of an apparent heart attack the night of Jan. 12 while visiting Mrs. Hertha Hatch at her home at 110 Moraga Way, Orinda.

Resuscitator efforts by the Orinda fire department proved to be no avail, and the victim was pronounced dead by an Orinda physician at 7:55 p.m., about 10 minutes after he was stricken.

The body was taken to the Chapel in the Valley, Lafayette.

Mrs. Hatch told sheriff's deputies that she had known Hilken for many years and that he had a record of heart trouble.

She said Hilken gasped and collapsed on a couch about five minutes after he came to her home that night.

A daughter of Hilken lives in Orinda. She is Mrs. Tom Gilbert of 11 Totterdel Court, according to Mrs. Hatch.

## Man of Year Will Be Honored By Jaycees Thursay

Orinda Junior Chamber of Commerce will host the Orinda Man of the Year Banquet Thursday at Mike Lynn's Orinda Willows.

The banquet is being held in honor of Thomas G. (Gerry) Cullen. Cullen has been selected as the community's outstanding citizen for 1960 for his work with the Boy Scouts program in Orinda.

Guest speaker for the evening will be George Christopher, mayor of San Francisco. Christopher will speak on "Meeting Khrushchev Face to Face."

## Orinda Library Features Sword Exhibit

Each month as a public service the Friends of the Library feature an exhibit of historical or educational significance. The exhibit for the month of January is interesting as it consists of 10 historical swords from the collection of Eugene Jones of Orinda.

Most of the swords date from the seventeenth century and are mostly dueling or dress swords. However, there is one interesting two-handed sword that was used during the time of Joan of Arc. Also on display is a Saxon sword, a cup-hilted Spanish sword and a main gauche left-handed dagger.

Jones' interest in swords started during his youth and to date he has the largest collection of European and American swords this side of the Mississippi, 100 in all.

## GOP Ladies Will Convene

The California Federation of Republican Women will convene Wednesday through Thursday at the Jack Tar Hotel.

"The Flag of the United States, the Republic for Which It Stands" will be the theme of the convention.

Mrs. Donald P. Krotz of Orinda is resolutions chairman. Mrs. Krotz is also the nominee for vice president of the north section of the California Federation of Republican Women.

## Orinda Sunshine Is Envy of Area

Orinda residents had their share of fog the past weather week, but most Orindans delighted in their morning sunshine on several occasions when Lafayette and Walnut Creek were completely blanketed with the chill mist.

Seasonal rainfall is below normal, as reported by EBMUD's station at Chabot. Normal precipitation for the season is 10.3100 inches. This season's total to date is 5.00 inches.

Here are the temperatures:

## Utility Rates Will Be Reduced!

### Committee Will Study Recreation Use of Reservoirs

A "cautious green light" was given to County plans for developing East Bay Municipal Utility property for recreational purposes by the Orinda Association's civic affairs committee on Monday night at their meeting in the Orinda School.

No formal motion was made by the committee. However, Harry Fledderman, re-elected chairman of the committee, had this to say: "WE ENDEAVORED to get the feeling of the community in regard to the recreational development of the property involved. Victor Kingston, a member of the Citizen's Committee appointed by the Contra Costa Board of Supervisors to study the situation of recreational land development, attended the meeting and will take the results of our preliminary deliberations to his committee meeting.

"The general consensus of opinion of the civic affairs committee is that we don't have enough positive facts at this stage to take a stand. We would like to know positive costs, plan details, and expected flow of traffic.

"We will take this first step of non-opposition and see what an actual plan may involve. We would like to see the development take place with one reservoir first, and observe how it works."

RECREATIONAL use of the reservoirs involved does not involve body contact. The areas would be used for fishing, boating, picnicking and other such "non contact" activities.

Generally speaking, the committee believes the development program should start with one reservoir, allow time for consideration and proceed from this point.

In other business the committee, directed by Orinda Association President, Bruce Howard, will study the needs and feasibility of using association property for civic purposes.

Ten acres (approximately) of the Orinda Cross Roads are owned by the association. Suggested uses vary from a civic center, teen youth center to general recreation center.

## Strike Halts Work On Orinda Tunnel

Work on the East Bay Municipal Utility District tunnel in Orinda remained at a standstill as the strike by members of the new Tunnel and Rock Workers of America reached its second week.

The union struck this and 18 other Northern California water projects two weeks ago to back up a request to the National Labor Relations Board for an election to recognize its bargaining rights.

A union spokesman said they'd go to jail rather than obey a restraining order issued by the San Francisco Superior Court last week.

The union has been ordered to show cause why the court order shouldn't be permanent.

The union claims only about 20 per cent of the 750-man work force has been crossing the picket lines on the Feather River South Fork project.

HATS OFF TO . . .

## Harry Fledderman Copes Aptly with Civic Affairs

Hats Off . . . to Harry Fledderman, tall man on the Civic Affairs Totem Pole, who for a job well-done was deservedly re-elected Civic Affairs chairman last Monday night.

The six-foot-three lawyer in the grey flannel suit copes with a full calendar, is used to it by now, after many years of service beyond the call of duty both to Hacienda Homes Association, Hacienda Improvement Association. (He is still president of the former.)

The west coast legal counsel for Rheem Manufacturing Company lives with his wife, Barbara (Orinda Woman's Club member) at 10 Los Conepos. She also serves on the Nursery School Board because two of their three tots are getting their sand-box and swing training sessions there.

Harry is an avid sports enthusiast, enjoys reading (when he has time) and is to be commended especially for his astute awareness that the Civic Affairs Committee needs to be solidly cemented as the sounding board for a growing community.

ORINDA AAUW will sponsor four nights at the Dramateurs, February 3 through 11. Mrs. David Solberg, left is AAUW ticket chairman. George Meyer and Mrs. Rhoda Klitsner are members of the cast of "Visit To A Small Planet."

## Dr. Seaborg Returns To Lafayette Tomorrow!

"It's all happened so fast, I haven't even seen my husband since he accepted the appointment!" So exclaimed Mrs. Glenn T. Seaborg, wife of Dr. Glenn T. Seaborg, University of California chancellor named chairman of the Atomic Energy Commission by President-elect John F. Kennedy.

Dr. Seaborg was in New York attending meetings at the Rockefeller Institute when news of the appointment broke. Mrs. Seaborg expects her husband to return Saturday to stay for three weeks.

"WE ARE not planning to move to Washington until the end of the school year," she explained. "We have five children in school here. One attends Acalanes, three attend Happy Valley and one goes to Stanley. They are very excited about their father's appointment, but we are all sorry to leave Lafayette."

"We're going to rent our house here, and we hope some day to return," Mrs. Seaborg concluded. Dr. Seaborg designed the family home at 1154 Glen Road.

In a formal statement Dr. Seaborg said, "I feel it is a great honor to be asked by Mr. Kennedy to serve my government and country in this very important position. My only hope is that I can be successful in meeting my great responsibility."

DR. SEABORG will head the five-man AEC with the critical responsibilities of running the AEC's \$2.7 billion program of atomic research and development, and in addition he will also be a major policy leader in the new administration's decisions on nuclear disarmament and weapons testing.

A Nobel prize winner in 1951, Dr. Seaborg was honored late in 1959 by the organization he will now be heading when he received the \$50,000 Fermi Award, the highest scientific award given by the government.

Although their many friends and neighbors in Lafayette are happy for the Seaborgs, they will regret losing a family that has been so much a part of the community.

Dr. Seaborg has a wide range of interests ranging from golf and half a dozen other sports, to literature and philosophy. Despite his busy schedule he has found time to take an active interest in world affairs, politics and education.

## Public Reacts to Animal Law; Big Charges Due

Strong public reaction to the proposed amendment to the county animal control ordinance, including permit fees, application of kennel rules to homes, and provision for entry of homes, will bring about changes.

A hearing, held Wednesday morning by Agricultural Commissioner Arthur Seeley and Deputy District Attorney Ralph Lindsay, packed the board of supervisors chambers.

The crowd had no love for the proposed amendment. BUT EVEN before that, on Monday, Seeley had a conference with more than 50 representatives of kennel clubs, including the Contra Costa County Kennel Club. He was told in no uncertain terms that the amendment was unwelcome in its present form.

Seeley promised that he and Lindsay will rework the amendment along the lines suggested by the groups. "I've been on their side, in much of this," he told The Sun.

Originally the amendment was to go to the supervisors, February 7, but Seeley will ask the board to postpone the hearing to February 21.

This will allow him and Lindsay to revise the amendment, and perhaps hold another hearing of their own. But he is not sure whether another committee hearing is necessary.

SEELEY said, "I think we may change the number of dogs required to classify the home as a kennel for permit fee purposes from three or more to four or more.

"And we may eliminate entirely the reference to cats, or liberalize that portion."

He continued, "And the permit fee (\$20 per year initially, \$10 for each subsequent year) may be excessive.

The requirement for annual inspection of the animal or animals by a veterinarian may not be necessary, he said.

SEELEY added that ranchers with dogs or cats may be excluded due to their large areas. And the amendment's application to veterans hospitals will probably be eliminated.

As for the amendment provision for entry of private homes where violation is suspected, Seeley said there is usually "little or no need" for such a procedure since investigation from outside the house is usually a sufficient indication of what is going on.

He added that animals kept in the home are usually better cared for than those kept outside.

## Special Rate Area Will Effect Some Residents

Lower rates for gas and electricity will go into effect February 2 for some residents in Orinda. The good news comes as a result of an annual survey of customer density in fast growing areas of Northern California ordered by the California Public Utilities Commission.

Customer density surveys of fast growing areas result in shifting some to lower rate zones. The surveys are made in conformity with decisions of the Commission which eliminate city boundaries as the major factor in determining rate zones.

CHIEF consideration is customer density in establishing rate zones whether the area is inside or outside an incorporated city, since the cost of providing service reduced proportionately as customer density increases.

Rezoning was carried out by enlarging special rate areas, creating new special rate areas and changing the zoning of some areas newly developed on the boundaries of cities.

Orinda's special rate area with 367 gas customers and 374 electric customers will realize an annual decrease in rates of \$4,858 for gas and \$5,027 for electricity. In neighboring Lafayette the

existing rate area has been enlarged and customers will realize an annual decrease in rates of \$3,207 for gas and \$3,271 for electricity.

CHARGES paid by customers of Pacific Gas and Electric Company will be reduced in fast growing areas throughout Northern California, with a total rate decrease of \$497,100 per year.

Rapid growth in Orinda is also indicated by the latest report from Dun and Bradstreet, Inc. Contra Costa County listed 16.5 per cent more business in 1960 than in 1955. However, the percentage figure for Orinda is 98.2 per cent.

Orinda listings from the Dun & Bradstreet reference book for November, 1955, showed 57 businesses. The figure for 1960 is 113. In Moraga the listings jumped from 6 to 20, a percentage increase of 233.3 per cent.

## Service Dist. Offered A Solution to Crime

Contra Costa County has reached a critical point in law enforcement and proposed creation of service districts may be a solution, according to District Attorney John Nejedly.

Nejedly, who brought the matter to the attention of the Contra Costa County Board of Supervisors on Tuesday, stressed he was not being critical of Sheriff Walter Young. He pointed out that at present it is difficult to get the sheriff's office to handle crimes being committed, because

"there just aren't enough men to handle the problem."

HE ADDED that it takes 30 minutes to an hour in some areas of the county for an officer to respond to a citizen's call because there may be as many as 25,000 people for each deputy and in the same area 75 miles of roads.

Lawbreakers are capitalizing on this and the manpower shortage in the sheriff's department. The board admitted the difficulty of getting citizens interested in special districts, but called for meetings to discuss the problem.

Supervisor James Kenny said, "People must be told the alternatives. No matter what the cost is now, prevention is cheaper in the long run."

## Parents Club Will Discuss Math Program

The Del Rey Parent's Club will hold its next general meeting on February 7 at 8 p.m. in the school library.

Jack Clark, principal of Glorieta School, will be the guest speaker. His subject will be the Math Program in the Orinda Schools. Clark will explain the new method currently in use in the teaching of this subject.

The public is cordially invited to attend.

## Dads and Kids to Root For Basketball Favorites

A Father and Children Night will be sponsored January 28 at 8 p.m. by The Sun and St. Mary's College.

Spectators will watch St. Mary's and Cal Polly basketball team tangle on the St. Mary's gym.

AS IN THE PAST, hundreds of youngsters are expected to attend and root for their favorite team.

Just clip out the coupon which appears below and fill it out. Be sure to include the number of children that will be in your party. Then mail the coupon to Basketball Editor, The Sun, 1001 Oak Hill Road, Lafayette, with a stamped, self-addressed envelope. Do not send any money to The Sun.

Your coupon will be validated and returned to you, thus insuring you of a seat at the game.

THEN, ALL YOU have to do is round up the youngsters and present yourself and the kids to St. Mary's January 28, with your coupon. The admission charge will be \$1, which will pay for one adult and as many children as he can adequately supervise (under 16 years of age).

Approximately 500 seats have been reserved for the fathers and children, so be sure to get your coupon in early. It will be first come, first served.

### How Long The Fog

NEVER, cry the Natives, has there been such a fog in these parts!

If you had to grope your way through the fog wherever it settled the thickest, you probably agree . . .

IF, like one newcomer (husband & homecoming commuter) you turned into the driveway & beat it up the back stairs into the kitchen of the **WRONG HOUSE** where the **WRONG** family was sitting down to dinner, then you probably wonder just **WHERE** is this ideal climate you heard so much saletalk about from the real estate agent.

ANOTHER lady, sober & solid, got **LOST** in the fog & couldn't find the same house she'd been traveling to & from for **SIX** years! RHEEM, it seems, was hardest & heaviest hit . . . kind of like a Foggy Day in London Town bit, the fog wafting all around.

**THEATER-GOERS** found themselves swallowed up in it on the return trip home last wknd. & you crawled along hugging the white line or, if there was a car in front of you, it was like a blind man leading blind man.

TRULY-unruly, this tuf fog . . . Carl Sandburg's fog crept in on its little cat feet but our kind just slalomed in an pair of ski boots with temperatures to match.

By he way, there isn't any white line as you drop over Rheem Blvd. . . . So don't drop too far!

**THE GARDEN** casualties from the Big Freeze evident everywhere: Banks of browned ivy, hillsides of spineless succulents . . . Whole trees tainted w/ tan shriveled leaves & big pots of what once were geraniums looking like leftovers from a How-Not-to-Garden demonstration.

ON THE **WARMER SIDE** of things . . . The pre-Christmas fire at Art & Ruth Henry's household which almost threatened their holiday happiness. Young David Henry, in his flannel pj's, crouched to light a fire in the fireplace. Just as he struck the match, the Henry's pet cat sprinted into the room & headed for he Christmas tree.

David whirled around to shoo the cat away, the match (lighted) flew out of his fingers, ignited the tree & swoosh went the flames! The quick-thinking of sisters Sue & Nancy Henry saved the day. They had the garden hose on in minutes & the scorched tree, soaking wet presents & a singed ceiling and wall were th only casualties. Thanks Heavens! says Ruth!

A **HAPPY ENDING** . . . Since the fire occurred the day before Christmas, Ruth & Art hadn't had time to think of replacing the tree, but when the family came home Christmas Eve from church & communion, Sue & Nancy & their teen beaus who'd bowed out of church early, were wating to welcome David home w/ another full-fledged Christmas tree right down to ornaments, lights, et al. Wouldst ALL big brothers & sisters were as thoughtful of their younger ones, but then, I bet they are!

The Dwight Chapmans who returned home a few days before Christmas from a month-long holiday to Jamaica & Puerto Rica are shivering in their shoes & ready to return to the Caribbean climate.

### A Few Foggy Notions

I GET A KICK OUT OF YOU . . . Barbara Wayne, who did such a comical imitation of an expectant mother at the Women's Guild party at the Long's last summer (she really WASN'T ensante but caused a sensation, pillow-stuffed, slip hanging, hair straggling, stockings awry) well, anyhow, Barbara might not realize it but she probably did all of those who ARE expecting a world of good.

**MOST MOTHERS-TO-BE**, I've noticed (& HOW I notice! being one myself these days) look pretty darn wonderful, positively glowy, like they think the whole idea originated w/ them, like Wisly Sage says—"like the cat that swallowed the canary."

Lynn & George Loshbaugh whose second son Alan Jennison born Jan. 4 looks like brand new Mr. 1961 himself, were surprised showered just in time, five days before Alan's birth, by their neighbors at a Mr. & Mrs. shower affair at the Bert Waynes.

AMONG THE **GUESTS & GIFT-BRINGERS** were Jean & Bob Haaf, new parents themselves, Jane & Dick Teeter, Barbara & Hal Keenan, Mary Ann & Art Eisenbrand (they are recent newcomers from LA), Merlu & Jim Kelly whose little 5-mos. son, celebed his first Santa surprises (rather, his proud parents did!), Em & Chris Roden, Barbara & Hugh Eyerley & former Berk neighbors of Lynn & George, Florrie & Bill Milligan, he being a handy neighbor to have being the owner of the distinguished Fraser's Furniture, Berk.

IN HONOR of Leslie Corsi who expects a **FIFTH** honey-bundle first part of March, Marcia Singer hostedess a Hen Party last Wed. night at her Honeyhill home.

Joining a good-crowd of townside women guests were Orindans Joyce Lipovac, Edie McDowell, Beverly Hoyt & Peggy Young. BILL & MARGE Douglass named their new son & sixth child, Anthony Paul.

Grandparents of Robert Mark Platt (brand new first child of Robin (Mark) & Stephen Platt) are Elizabeth & Bob Mark who are raising their own 3-yr. old Chris & will be easy "marks" (get it? Oh!) for baby-sitting. Robin & Stephen & their new son are encoanced in a cute Montclair menage.

FOR MORE EXCITEMENT at the Mark menage, Elizabeth & Bob's Elizabeth junior eloped in the New Year ea change her name to Mrs. Phillip Bodway. The wedding announcements (set for Feb.) were practically printed, the wedding plans made, but Cupid shot a fast arrow & found its MARK! To the new couple living now in WC, the Best of Everything!

WE FOUND Walter Jamond, resonant-voiced radio announcer, on KQBY, 1550 on the dial, where he does his daily broadcasting stint between discs of distinction from 6 to 10 every morn. . . . The quality-music station, formerly KEAR, becomes a Mutual Broadcasting affiliate on Feb. 6 when it will add popular newscasters Gabriel Heatter, Fulton Lewis Jr., Tony Marvin to its repertorial ranks.

ANOTHER ORINDAN of radio fame, Pat Henry of KJAZ, FM, is giving SF Mayor Christopher a gentle nudge towards that JAZZ Festival that may come off this summer at Candlestick Point.

THE SF MAYOR, by the way, will be the guest speaker of the Jr. Chamber of Commerce Man of the Year Banquet at Mike Lynn's Jan. 26. . . . His subject "Meeting Khrushchev Face to Face" sounds interesting but this will be your chance to meet Gerry Cullen, Orinda's Man of Year face to face, too. . . . Nice face!

Tickets for same are \$4.00 incl. tax & tip & are available from Bob Wale at CL 4-5019 eves., or Les Collier, CL 4-4447, Sports Unltd. shop during the daytime. Everybody is welcome.

## Vicious Fist Fight Broken Up by WC Housewife Using Car; Was It a Gang?

By NORMAN COLBY

A Walnut Creek housewife Tuesday afternoon drove her car into the teeth of a "vicious" battle between two Las Lomas High teen-age boys, and managed to break it up even before the police arrived.

In doing so, she told The Sun, she suffered the jeers of some 15 to 20 boys who had gathered behind a South Main Street gas station and were cheering the bloody antagonists to greater efforts.

"The boys' names are not published in The Sun because they are juveniles."

**THE WOMAN'S** name is not published, because she told The Sun she fears retaliation against her two teen age children, and perhaps against two younger children.

Mrs. X described her experience as follows:

"I and my 15-year-old niece were driving along Broadway Plaza when we saw this crowd and two boys fighting."

"**THE FACE** of one of the boys was covered with blood, and his head was being pounded against the rocky ground by the other boy, who was smaller."

"The others were whooping it up, but no one was trying to stop it."

"I drove the car into the lot, honking the horn, and the two fighters scrambled to their feet. Of course, I wouldn't have run them over."

"The two boys just stood there, looking dazed, and I don't wonder."

"**I HAD** been crying, 'Stop it! Stop it!' I asked them if they thought they were in Chicago."

"I said if they thought so, they should leave for Chicago right now. We won't stand for it in Walnut Creek. I suppose I was pretty excited."

"Someone in the crowd of boys said, 'Chicago, ha, ha, ha!'"

"I also called out several times as forcefully as I could, 'Knock it off!'"

## Orinda Pools President Gets Appointment

National Swimming Pool Institute President William O. Baker today announced the appointment of Donald L. Doughty at national standards coordinator for the swimming pool industry for the year 1961.

In making the appointment, Baker pointed out to the NSPI board at its meeting in Dallas the strong technical background of Doughty and his past record of service in standards work within the industry.

Doughty is president and general manager of Orinda Pools, Inc., engineers, designers and builders of swimming pools with offices located in Lafayette, California, where he resides.

## WHAT'S DOING

Howard Greenhalgh, your Telephone Manager in Orinda

Starting guns are familiar to most people, but few have heard of a "Stopping gun". It's used in our Defensive Driving course to show how long it takes you to stop your car. That's a "stopping gun" on the bumper of the car in the picture.

The instructor riding in the car pulls a string and fires the "gun" as a signal to the driver to stop as fast as he can. A chalk mark is shot onto the pavement as the gun goes off, and a second mark is made when the brakes are applied.

By measuring the distance between the chalk marks, the driver learns how far his car travelled before he reacted to the noise of the gun.

We pay lots of attention to safe driving at the phone company, and we've found just being alert avoids lots of accidents.

Every telephone employee who drives in his work takes a "Defensive Driving" course.

This special training really works. Our drivers have one of the best safety records anywhere.

**A Reminder About Your Payment Agencies**

A large number of our customers pay their bills in our business office at 1250 Arroyo Way, Walnut Creek. Did you know there are payment agencies serving most of the cities in Contra Costa County?

They have been chosen to provide our customers with convenient local payment facilities. Their addresses are: Concord, Keller's Hardware, 1990 Grant Street; Pleasant Hill, Bank of America, 1699 Contra Costa Highway; Danville, Bank of America, 201 Hartz Avenue; Lafayette, Lafayette Pharmacy, 3547 Mt. Diablo Boulevard; Orinda, Central Valley National Bank, 21 Moraga Way; Walnut Creek, Bank of America, 1322 Main Street.

Should you at any time have need to pay your bill when these agencies are closed, your business office in Walnut Creek has a twenty-four hour depository. Bills may also be mailed to Post Office Box 547, Walnut Creek, California.

**Have you noticed** how more and more products are now covered by guarantees? Cars, electric appliances, TV sets, tires . . . the list goes on and on.

There's one very common item with a guarantee you may not be aware of — your telephone. We guarantee it for life.

We're not pretending it will last forever. Some parts are bound to wear out, and occasionally a phone may be accidentally damaged.

When these things happen, we send a telephone man to fix it. But there's no extra charge. We want you to have good phone service all the time.

## Here's Recommendations For Your Movie Fare

Here are the movie recommendations, issued in December, by The Film Estimate Board of National Organizations.

Ratings are: A—Adults; MY—Mature Young People; Y—Young People; F—Family and C—Children (unaccompanied by adults).

### THE CROWNING EXPERIENCE—A-MV-Y

The life and humanitarian ideas and ideals of the noted Negro educator Mary McLeod Bethune have been woven into this film made by Moral Re-Armament in a plea for the organization's ideology. Although the tenets of Moral Re-Armament are vaguely presented the film has a warm spiritual quality and may afford many people a deeply moving religious experience.

### G. I. BLUES—A-MY

A romantic service comedy fitted out with 10 songs provides a handsome showcase for the talents of Elvis Presley in his first film since his discharge from the Army.

Juliet Prowse, most attractive as a dancer, has two big numbers, one of which is in dubious taste for a film slanted toward teenagers. The background of towns in West Germany is cheerful and good to look at.

### GODDESS OF LOVE—A

This concerns the Greek and Macedonian wars and the sculptor Praxiteles. A warrior, convalescing in Praxiteles' home, falls in love with his beautiful, unspoiled model. The despairing girl, when they are parted, deliberately becomes a notorious camp-follower. The film is Italian.

### HAND IN HAND—F

This simple little English drama has a charm that many more pretentious films might well envy. In a small town in England two eight-year-olds become friends. The boy is a Roman Catholic and the girl is Jewish.

Though aware of a difference in their faiths, they take it as a matter of course and spend long happy days of school and play together. The beguiling film has been made with care and sensitivity. This film is rated as outstanding.

### JAZZ BOAT—A

A confused point of view marks this little British film, which starts out as a story of delinquent London juveniles. It involves a young jazz musician and a teenage gang of hoodlums. Scenes of hide and seek, chase and escape are played with a labored attempt at comedy that has the constant accompaniment of rock 'n roll rhythms.

### NORTH TO ALASKA—A

Set in Gold Rush days, this slap-happy film stars John Wayne and Stewart Granger as two lusty prospectors who have struck it rich, and Ernie Kovacs as a smooth-talking dressy rascal. The film is at its best in its noisy, determined high jinks, as an uninhibited spoof of he-man action melodramas.

### SECRETS OF THE PURPLE REEF—A-MY

The mysterious sinking of a ship in the Caribbean on a clear, calm day rouses the suspicions of the brothers of the captain who was drowned with the crew.

The uneven little melodrama is faltering in plot and pace but is enhanced by beautiful shots of the West Indies.

### THE SHAKEDOWN—A

A British gangster melodrama uses a complicated blackmail racket as plot material. A racketeer makes out profitably by setting up a photography studio which at night becomes a place where salacious camera fans can photograph scantily clad women. Skillfully put together, the cops and robbers tale moves fast, with a well chosen cast keeping up excitement.

### SPARTACUS—A-MY

The epic story of Spartacus, who led the historic revolt of the slaves against their Roman masters in the first century B.C. is told in grandiose style in this long, enormously lavish production. Technically, the picture is magnificent, as are its period detail and scenic effects. Spartacus is a film of heroic proportions.

### THE SUNDOWNERS—F

Australians call their migrant sheep drovers and shearers "sundowners" because their home is wherever they are when the sun goes down. Pastoral Australia is beautifully photographed, conveying an almost poetic sense of the vast lonely country and the creatures inhabiting it. There is power and charm in the glimpses of the very human emotions and problems of characters who are consistent and real. Here is a film that by its nature could be sordid and downbeat, but by the quality of its people and the creative direction of Fred Zinnemann is alternately tender, rowdy, funny and hopeful.

### WORLD OF SUZIE WONG—A

Although the plot in this romantic drama is shopworn, the personality of its heroine and its intriguing settings bring it a new look. Dialogue is extremely frank, and the scenes dealing with sex are explicit, but both are handled as part of the situation. Vivid, colorful shots give Hong Kong an active part in the story; the teeming streets, picturesque scraps of custom and ceremonies, the markets, an ancient junk dry dock, all contribute to the flavor of the place.

### CINDERELLA—F

Jerry Lewis is producer and star of a farce-fantasy in which the Cinderella story is retold. Young audiences particularly will enjoy Jerry's prolonged comedy.

### VILLAGE OF THE DAMNED—A-MY

In this English science fiction film the aftermath of a mysterious mid-day sleep that overcomes the inhabitants of an English village is the birth of a dozen strange children. George Sanders is well cast as the scientist whose wife has borne the leader of the creatures, and who faces the responsibility of stopping them.

### WHERE THE HOT WIND BLOWS—A

This Franco-Italian film has a confusingly shifting sense of direction, and is now melodrama, now comedy. Gina Lollobrigida is a luscious peasant girl in a Sicilian fishing village and is surrounded by ferociously jealous women and equally appreciative men. The unpleasantly suggestive, sadistic film has the benefits of highly picturesque settings and an excellent French, Italian cast.

# It's a Whale of a Story!

Harold Selvy, a Pleasant Hill pharmacy co-owner, told a whale of a story last week. And he's sticking by it despite quizzical smiles by members of the Walnut Creek Sportsmen's Club.

Selvy took home a little statue of a guy throwing a bull by the tail, a prize which also inspired some pretty wild (but true, they insist) stories by Gene Lockhart of Walnut Creek, Bill Collins of Lafayette and Claude Franklin of Concord.

The four men were finalists in the annual competition for the Liars Trophy.

HERE IS Selvy's (true) story, somewhat cut in length for the sake of sensitive readers:

"I went fishing in Monterey Bay, and got something on the line. It pulled me right into the water, and the waves were so

high they capsized the boat, leaving me alone in the water.

"I saw a big mound, looked like a small island, a short distance away, and swam for it and climbed on.

"It turned out to be a whale, by gosh!

"IT TOOK OFF, and I held on. It headed out of Monterey Bay and turned sharply in the direction of San Francisco.

"I fell off on the turn, and had to swim hard to catch up and climb on again. But I made it.

"The whale and I traveled up and down the coast from San Francisco and Santa Barbara four or five times, and after a while he began to tire a little.

"So, I took out a skein of rope I always carry and slipped it into his mouth. He bucked a little, but after a while he was broken

just like a horse, and using the rope like a halter, I brought him back into Monterey Bay.

"BY THEN he was so tame I could take the halter off and he would come swimmin' every time I whistled.

"It was lots of fun riding him just like a surf board between Monterey and Santa Cruz on weekends, and he'd always be waiting for me at the pier.

"He liked tobacco, and I'd toss him two or three cigars after each good ride.

"But some darned fool one day thought he'd play a joke, and he threw my whale a lighted stick of dynamite. My old whale latched onto it just like it were a cigar, and whammo!

"HE WAS blown to smithereens. Sorry I can't show you the whale. He was blown up, you see. And

I'm back to just plain fishing!"

Sportsmen's Club members wondered why Selvy didn't at least bring in a piece of whalebone, but judges gave him the nod anyway.

Lockhart told members about the deer he shot just as he was jumping over his pickup truck. The deer landed in the truck, and there was no need for hauling or heaving. Very convenient, he said.

Collins' story was how he caught two bears alive, at the same time. Quite tricky.

FRANKLIN told about how he was swallowed by a giant deer during a hunting trip.

Dick Huntoon was also a finalist, but was unable to be present for the final competition.

I'M NOT KIDDIN' exclaims Harold Selvy, as he describes the whale which became his pet before the final catastrophe. Anxious to tell their stories are Bill Collins, left, and Gene Lockhart, second from left. At right is Dan Polk, "Liars" chairman.

## Sun Subscription Funds Will Help Retarded Youth

What do newspapers and mentally retarded people have in common?

At first glance, very little. But the situation takes on a different light when the newspaper is The Sun, and the retarded attend Lynn School for the Retarded.

The East Contra Costa Council for the Retarded, Inc., a non-profit organization, is presently conducting a subscription campaign for The Sun, with the profits from the subscriptions going to help local mentally retarded youngsters.

HOW DOES this work? If you are not now a subscriber to The Sun, a representative of the council will call you and ask you to subscribe to The Sun. If you do so, you will receive The Sun for a full year (or longer if you wish) and the profits from the subscription will be turned over to the council.

What does this group do?

The council is self-supporting in that it does not receive any funds from state, federal, county or local tax sources.

THE NEED for the council's services has been generated by the fact that our public school systems offer nothing for children up to 18 years of age with severe mental handicaps.

Since its origination in 1954 the council has opened and maintains a pre-school nursery for children in the age group 3-8 years in Danville, and a guided workshop or training center for children from 12 to 18 years in Concord.

1. A child will stay at home without benefit of formal training and education.  
2. FOR THOSE parents who can afford it, a child will be placed in a private school for retarded children at a much higher cost.

## Rapid Transit District Fills Three Posts

Important committee posts have been assigned to Contra Costa County's three representatives on the board of directors of the Bay Area Rapid Transit District.

The committee assignments were announced today by Adrien J. Falk, president of the five-county district.

Named chairman of the district's Liaison and Public Information Committee was attorney Marvin A. Joseph of Richmond. Joseph also will serve on the Plans Development and Engineering Committee, Falk said.

Harry L. Morrison Jr. of Concord, who is Executive Director of the Contra Costa Taxpayers' Association, was appointed to the district's Financing Committee.

## John Wehler Is Mart Manager

John Wehler of Danville has been named Oakland Division manager by Speedee Mart, it was announced.

He was supervisor in the Oakland Division and has been in the food business for 20 years.

It was announced that Speedee Mart will open their eighth store in late January in Walnut Creek.

#### Del Rey: New England

As a culmination of their study of the New England States Mr. Robertson's fifth graders invited their parents to attend a program at which the children presented a resume of what they had learned.

Joan Dwin, Mary Johnson, and Judy Valencia covered the Plymouth Colony. Ann Massie and Mary Schmidt described colonial living. Karin Huston, Mary Ki Ivanetich, John Kolkherst, Paul McKinnon, Tina Stonley and Kathy Sullivan depicted the colonial New England schools by means of an original skit.

JOHN KOLKHORST, Terry Macdoald and Paul McKinnon showed how the clipper ships were constructed and rigged and told of the part the ships played in New England's development. Mike Coudle, Tony Paley covered the whaling industry in a similar vein. Judy Baker told of the importance of the Grand Banks.

Susan Hackett and Carrie Jones gave highlights of the history of New York. Bruce LaVigne and John Maier covered the glacial development of the New England sector. Karin Huston and Kristin Olson told of its industrial development. Monica Atkinson and Cynthia Smith detailed the weather chart.

PARENTS WERE greeted by class members, shown to seats and given programs made by the class.

With a view to bolstering the physical fitness program among children in the primary grades Ray Enjaian held a series of track and field contests for first through third grade boys.

Among the first graders John Shutt was awarded the first place certificate with second place going to George Hill and third place to Clay Patmont.

Eddie Patmont was the winner among second graders with David Hill second and Billie Cook third. In the third grade contests Maria Holcomb edged out Larry Walsh for first place.

#### Miramonte Mirror

By SUSAN COX and CAROL PEDERSEN

Victory, Victory is our cry . . . that's the way you spell it, that's the way you yell it, Victory, Varsity Miramonte High!

Victory over Las Lomas last week ago Tuesday! Again Miramonte made another victory at San Ramon with a score of 53-43. At first the host tem gave Miramonte a bad time but they were soon foiled by Miramonte's strategic comeback.

THE MATADOR'S rooting section was filled with hopeful rooters, some of whom were Don White, Jonathan Jensen, Charly Abraham, Linda Jones, D'Ann Christie, Charlotte Kimball and Ann Blow. An old friend to some Miramonte students, Mr. Boyce, also attended the game.

First in the league is Miramonte! This last Tuesday, victory again was made for the Miramonte team against Acalanes. The winning team at this game was Miramonte with a score of 41-27. Coming up tonight is a game at Miramonte against Alhambra. We Matadors are hoping for another victory team, so let's get out there and show them a good game and victory.

Bright and early last Saturday morning many of Miramonte's students charged forth to take the college board exams. Tests were given at the University of California, Lincoln High and Oakland Tech.

EARLY BIRDS for Lincoln High School were Jack Gilbert, Bill Caldwell, John Walker, Roz Starkman and Joan Eberheart. This jolly group left Orinda about 6:30 a.m. to take the test in San Francisco.

Arriving too early, the group adjourned for coffee to try to wake up. All agreed that each had a hard morning but somehow the sound of food after the test was inviting to the hungry lot and they went to Fisherman's Grotto for a feast.

Other test enthusiasts were at the University of California. They were Robert Boyle, Pete Ginsburg, Kirk Long, Sherry Croci, Prill Devin, Larrie Axelson, Mimi Case, Linda Barges and Karen Fernsten.

A SPRING FORMAL is being planned by the Debs sometime in April. Dianan will hold a coffee cake sale at Lucky's from 10 a.m. to 4 p.m. In March they will have a progressive dinner.

Finals will start Tuesday. "Students" remember to study hard this weekend. Quotes by Mr. Anderson. Miss Clapper of English IV has started her students studying for the final by letting them teach each other. Each has been given a category in English grammar to study and report to the class and testing is advised.

Charlotte Kimball has sentence structure, with Walt Altopher and Rick Bagley playing teacher along with Cinda Snell, Barb Syverud, Bill Hilger and Mark Laurence.

FRIDAY NIGHT a multitude of young moderns gathered to spring a surprise on Jan Miller. All together in perfect harmony were the words, "surprise, Mappy Birthday." At that moment Jan's words were "Gasp, Gasp," with a drip of a small tear. Everyone notice how Mrs. Miller was taking pictures and thought the idea a good one and like all hams each had their picture taken for Jan's keepsake box.

Some of the high and low brow attendants were Karen Weatherbe, Bill Kent, Gari Ann Hughes, Josh Jensen, Kathy Stafford, Dick Allen, Ann Blow, Dick Stark, Karen Fernsten and Keith Thrallkill.

#### Scout Troop 200 Has Honor Court

A Court of Honor for Orinda Troop 200, Boy Scouts of America, was preceded by the troop's annual family night potluck supper. Guests of honor were the Webelos of Pack 207, together with their families.

Tenderfoot investitures were made on Steven Spott and John Kolkhorst. Bruce Payne, Dwight Sigworth, Jack Bowers and Bob Grigsby became second class Scouts.

Awards for first class were given to Bob Bardell, Dave Denning, Carl VanDyke and Larry deGrassi. David Yager won his Star Scout advancement, while Paul Majka was presented with the rank of Life Scout. In addition, 24 Merit Badge awards were given, three of which were presented to Eagle Scout Dick Reiser, giving him the Eagle Bronze Palm.

The troop is sponsored by the Orinda Rotary Club and at each Court of Honor the Scout making the greatest advancement is presented with a trophy.

# Go to Church Sunday

## Christian Science Baptist

"What Is Truth?" is a vital question to be considered at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon on the subject of "Truth" will include this reassuring statement: "I will cry unto God most high; unto God that performeth all things for me. He shall send from heaven, and save me from the reproach of him that would swallow me up. God shall send forth his mercy and his truth" (Psalms 57:2,3).

Christian Science churches are located at 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek; and at the corner of Grant and Park Streets, Concord.

## Methodist

"What's Your Faith Quotient?" will be the sermon topic of the Reverend George E. Berry at the Lafayette Community Methodist Church, 955 Moraga Road, Sunday. Morning worship services are held at 9:30 and 11 a.m. Church school classes for all the family are at 9:30 a.m. Nursery care is provided during both worship services.

The Commission on Missions will sponsor an Albert Schweitzer program Sunday evening at 6:30 p.m. The Reverend Edwin R. Freeman, pastor of First Methodist Church, Vallejo, who spent a week in Lambarene Mission in French Equatorial Africa with the Schweitzer Mission, will speak and show pictures of the work done in the field. All are welcome. Social hour follows.

## Lutheran

Worship services will be at 8 and 11 a.m. at Shepherd of the Valley Lutheran Church, 433 Moraga Way, Orinda. Sunday Pastor Hidy will speak on the subject, "Come and See."

Sunday school begins at 9:30 a.m. with classes for all ages. Sunday afternoon, members will attend a Parish Life Institute at Epiphany Lutheran Church beginning at 3 p.m.

The annual congregational meeting will be Sunday evening at 7:30 p.m.

## Suburban

Sunday at the 11 a.m. worship service of the Suburban Bible Church the Rev. Gray Lambert will speak on the subject, "The Lordship of Jesus Christ." His sermon will be a continuation of a series of messages dealing with the Christian life and its successful continuance and completion.

Also at the 11 a.m. hour the extended church school will meet under the direction of Mr. Aubin and Mr. Wilsey and Mrs. Lambert. Departmental programs are offered at that hour for children of the primary age level as well as the junior age level.

## Presbyterian

The Moraga Presbyterian Church meets in the Old Moraga School at 11 a.m. each Sunday morning for worship. Dr. R. T. White has selected the Twenty Third Psalm as the theme of this Sunday's sermon, which is entitled "The Reminiscence of a King."

The church school meets during the hour of worship for the nursery through the junior departments. The high school Westminster Fellowship will meet at 5:30 p.m. on Wednesday for dinner and the discussion group.

## Christian

"When You Need It Most" is the sermon topic of the Reverend Darwin A. Mann at the Lafayette Christian Church, 3419 Golden Gate Way. Worship services begin at 10 a.m., with church school classes for all ages at 9 a.m. Nursery care is provided during both hours.

There will be a meeting of the building fund executive committee at 3 p.m.

At 6:30 p.m., CYF members will continue their study of the prophets.

## Lutheran

"Going Home From Church" will be the sermon theme of the Reverend Merle O. Tollefson at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at all three services this Sunday. The Early Bird service is conducted in the chapel at 8:15 a.m. The Family Service is the opening exercise for the church school at 9:30 a.m. The morning worship with senior choir is at 11:10 a.m. Installation of officers will take place at this third service.

There is nursery care from 9:30 a.m. on. A complete Sunday school is held in conjunction with the 9:30 family service, including three post high school classes. During the 11:10 service a Sunday school is conducted for those from three years of age through the third grade.

"Traveling Incommunicado" will be the sermon topic of the Reverend Alan D. Southwell at the 11 a.m. worship service of the Moraga Hills Community Baptist Church located three-fourths of a mile northeast of Rheem Center on Moraga Road.

Sunday church school for all ages begins at 9:45 a.m.

## Assembly of God

Reverend N. A. Golusin from Cincinnati, Ohio, will be the guest speaker at the 11 a.m. services at the Lafayette Assembly of God on Sunday.

The church is located at 3500 Mt. Diablo Boulevard. Church school classes are at 10 a.m. Sunday evening the district director of Northern California-Nevada district, Reverend David Colbert of Santa Cruz, will speak at 7 p.m.

## Baptist

"You Can Win Others" and "What Jesus Said About Heaven" are the Sunday morning and evening sermon topics of Paul Byram, pastor of Calvary Baptist Church in Lafayette.

Bible study week continues this week at 7:30 until 9 p.m., with the pastor bringing the study from the book of I Corinthians.

Attendance at three of these services will give members study course credit. Regular Wednesday choir practice will be held at 8:15 p.m.

## Episcopal

On Theological Education Sunday, seminarian Charles Gompertz will preach the sermons during the morning prayer services at 9 and 11 a.m. in St. Stephen's Episcopal Church on Via Las Cruces and St. Stephen's Way in Orinda.

Classes will be held for the senior high group of the Episcopal Young Churchmen during both services at the home of the Robert Mooreheads, 36 Via Florencia. At 12:30 p.m. the Rev. C. Corwin Calavan, rector of St. Stephen's, will administer the sacrament of baptism to Jay Charles, son of Mr. and Mrs. John Hallenbeck Jr.

## Methodist

"Impact" is the sermon topic of Reverend John Dodson, minister of St. Mark's Methodist Church, which meets every Sunday at Miramonte High School at 11 a.m.

The church school is held at 9:45 a.m. at the high school and a special church school class for all those between the ages of 5-8 is held at 11 a.m. Child care is provided by a professionally trained person at the worship period.

A special adult education series is under way every Sunday at 9:45 a.m. Dr. Roy Wilson is presently leading the class in a study of "The Biblical Basis for Social Action." One of the items under discussion is the open housing covenant proposed for Central Contra Costa County.

## Baptist Church Plans Dinner

The Mission Commission of the new Moraga Hills Baptist Church will present Mr. Vincent Rutherford Friday to the entire church at a family night international dinner to be held there.

Mr. Rutherford is on leave from the Pakistan Mission and will present his program.

The dinner will be catered and a free-will offering taken.

## Baptist

The regular Sunday services of the First Baptist Church, Orinda-Lafayette, begin with Sunday school at 9:45 a.m., under the direction of Kenneth Bull, superintendent. At the 11 a.m. worship hour the pastor will be speaking on the subject, "Not Yours, But You."

During this service nursery care is provided for infants and toddlers and special children's services are held for those a little older.

Baptist Youth Fellowship is held at 6:45 p.m. Douglas Saxton is president of this group. At the evening service beginning at 7:30 p.m., the message will be "Non-Commissioned Messengers."

## Congregational

"Unity or Uniformity" will be the Reverend Chauncey Blossom's sermon topic at the 9:30 and 11 a.m. worship services in the Orinda Community Church, 10 Irwin Way.

Special music will include "Behold Now, Praise the Lord" by Titecomb. There will be reception of new members during the 11 o'clock service, with a coffee hour following in Fellowship hall.

Church school classes for 3 year olds through the 8th grade will be held during both services. Baby care will be provided.

## Presbyterian

The Reverend William Carl Thomas will begin a series of sermons on Sunday at the Lafayette - Orinda Presbyterian Church, 49 Crest Road, Lafayette, relating to the Lord's Prayer.

The first will be "Our Heavenly Father," to be given at the 8, 9 and 11:15 a.m. worship services. The 9 a.m. service is for family worship and study, with church school classes being held at 10 and 11:15 a.m. Nursery care will be provided at 8 a.m. and classes for children through kindergarten 1 will be held from 9 to 10:45 and at 11:15 a.m.

A class for new members (adults and high school students) will begin on Sunday afternoon at 4 p.m. in the Fireside Room. These classes in Christian Orientation are for persons interested in joining the church and for those wishing to investigate the Christian faith with no obligation to membership. Contact the church office for details on registration.

## Like Rabbits, These Area Businesses Are Increasing; Here are Figures

Contra Costa County listed 16.5 per cent more businesses in 1960 than in 1955 according to a report released today by Dun & Bradstreet.

Concord realized a 55.6 per cent increase; Alamo, 2.44 per cent; Antioch 13.9 per cent, Pinole 64.3 per cent, Danville 108.9 per cent, Lafayette 9.1, Richmond 3.8, San Pablo 6.7, Martinez 4.8 and Orinda 98.2 increase in the number of businesses in 1960.

Cities suffering a loss over 1955 were Oakley 2.4 per cent less, Crockett 24.6 percent less, Brentwood 8.5, Rodeo 12.8, Pittsburg 6.4 fewer businesses for the same period.

"THERE WERE 4,688 businesses listed this past year in Contra Costa County which is an increase of 666 businesses over 1955," said B. F. Cathcart, district manager of the San Francisco office of Dun & Bradstreet.

Basing his facts on the figures in the current November 1960 Reference Book, Cathcart said the 47 counties of Northern California as a whole showed an increase of 12.8 per cent for this five-year period, while the nine Bay Area Counties listed 10.3 per cent more businesses than in 1955.

San Francisco County listed fewer businesses in 1960. All other Bay Area Counties showed a gain.

## New Minister Heads Lafayette Assembly of God

Reverend Glenn Lambert from Modesto recently assumed leadership of the Lafayette Assembly of God Church, 3400 Mt. Diablo Boulevard.

Mr. Lambert is a graduate of the Central Bible Institute, Springfield, Missouri. He has served the church in Cincinnati, Portland, Oregon, and most recently, three years in Modesto. The church's new site on Springbrook Road and Hillcroft Way is presently under development. Mr. Lambert hopes the congregation can occupy the new building, valued at \$90,000, in about three months.

The new minister has a wife, Gloria, and a son, Mark, who will be two in April. The family is presently living in Walnut Creek, but plan to move to Lafayette in the near future.

## St. Mary's Has Abstractionist Painting Exhibit

Abstractionist paintings in varied media by San Francisco artist Lucille Harris are now on exhibit in the Saint Mary's College Library through February 4.

Included are nine ink drawings and 28 oils and pastels.

Stockton born, the artist has studied at the University of California, San Francisco State College and California School of Fine Arts. Her figurative work, abstract with some representational elements, has appeared at the Brunn Gallery in San Francisco, California State Fair, Monterey Jazz Festival and will be shown at this year's Palace of the Legion of Honor Winter Invitational.

Library hours are weekdays, 8 a.m. to 5 p.m. and 7 p.m. to 10 p.m.; Saturdays, 9 a.m. to 12 noon, and Sundays, 8 a.m. to 4 p.m. and 7 p.m. to 10 p.m.

## \$39,500 Bequest Goes To St. Mary's College

Formation of the Louis B. DeAvila and J. Francis McDonald Endowed Memorial Scholarship was announced this week by St. Mary's College president Brother S. Albert, F.S.C.

The \$39,500 endowment fund is a bequest of the late Mrs. Vera McDonald Avila of Oakland in memory of her husband and brother. Both were of the St. Mary's College class of 1911.

Louis DeAvila was an Oakland attorney until his death two years ago.

## Home Extension Group Meets

The Lafayette Home Department, Agricultural Extension Service University of California met yesterday at the home of Mrs. Louise Davis, 941 Mountain View Drive.

Len Lanfranco of IFYE was the featured speaker. "Your Family Business Center" was the monthly topic. Project leaders were Mrs. Louretta Hoover and Mrs. Kay Peakes.

## Simpson To Be Ordained Deacon

The ordination of Donald R. Simpson as a perpetual deacon in the Protestant Episcopal Church will be held at St. Anselm's Mission in Lafayette tomorrow at 10:30 a.m. The Right Reverend James A. Pike bishop of the Diocese of California and rector of St. Anselm's will be the officiant.

Simpson, an executive with the Kaiser Companies, is one of a group of 12 who have recently completed their studies for the first order of the ministry. Like the others who were ordained recently at Grace Cathedral in San Francisco, he will serve as a clergyman while continuing his business career.

As a deacon, Simpson will be assigned to the Mt. Diablo Presbytery, which is comprised of Episcopal churches in the central Contra Costa County area.

In this assignment he will serve as an assistant minister to the vicar of St. Anselm's, the Rev. Clarence H. Stacy. Simpson's duties will include assisting in the administration of Holy Communion and other services.

## Moraga Minutes

## Flu, Hives or Babies, Everyone Has Something

By YVONNE MAUZEY  
DR 6-4083

Doesn't the warm sun feel wonderful and the blue skies look beautiful after the frosts, fogs and cold weather we have been having? This fine weather with just the slightest nip in the air is more like Moraga weather should be and very welcome. This year we have sure made up for the lack of fog we have had the past two years.

I don't know if it's the cold damp weather or what. Everyone sure seems to be down with something these days. The doctors seem to be making a mint. Shirley Ray has been sick in bed for four days and the doctor told her to take it easy for a month. She had a very bad case of the flu with a temperature of 105°. Jim has been general housemaid, cook, house cleaning, child rearing and nurse for the past week.

**DICK GORROW** is another member of our community just over a case of hives, probably from something he ate. He was home in bed for a couple of days, keeping the family jumping.

Dick and Elbe Kostyria have a new addition to their family. A boy, 6 lbs. 12 1/2 oz. Born January 9 at Kaiser Hospital, they have named their new son Joel Richard. Congratulations.

Ed and Florie Bislar have another addition to their family, too. Also a boy. This big boy weighed 10 lbs. 5 1/2 oz. He was born at 6:13 a.m. January 12 at Kaiser Hospital in Walnut Creek. This is the Bislar's seventh child. Florie intends to stay in the hospital as long as possible. She needs the rest.

**SPEAKING OF** new additions, the Preiss' of Orchard Dell have three new additions to their home, a cat, a dog and a canary. Congratulations to you, too.

At their last meeting the Junior Horsemen decided to take a trip to the snow. They have decided to go to Dodge Ridge. The Junior Horsemen are thinking of hiring a bus so they can all go together.

Trudy Sweeney underwent minor surgery Friday morning in the doctor's office. She had her wisdom teeth taken out. They were causing trouble so had to be removed.

Last Wednesday Bob Caldwell was at the Naval Hospital for a hernia repair. It was not too serious, so Madge says. He is home now recuperating for a couple of weeks and feeling pretty good.

Did you know the county's first official map since 1938 will be made available to the public next week? The map includes the names and acreage of all major property owners. The chart showing property lines will be four feet wide, six feet high, with a scale of one inch to 4000 feet. The price will be about \$1.50 each.

**RESIDENTS WON:** Moraga won the fight for review before future introduction of commercial, manufacturing and multiple family dwellings into our valley. The board of supervisors adopted precise zoning for single family residential and agricultural districts covering 8800 acres of the Moraga area. This will include most of the Moraga School District and the southeast portion of the Lafayette School District.

The zoning ranges from quarter acre lots and up, and includes Burton Valley, St. Mary's, Lafayette Valley Estates, St. Mary's College, a section of the Ivy Drive area, Camino Pablo and Larche Avenue areas or Moraga Ranch.

The Rheem properties which were zoned in 1953 were not included in this. This zoning has been under study for over two years. The board bows to the residents' wishes to keep Moraga residential by ordering an interim zoning ordinance prepared covering the areas mentioned above and recommended by the planning commission for controlled manufacturing, commercial, administrative offices and multiple family residential use.

**THE BOARD** must have a hearing on each individual application for use, at which time protests from residents may be heard. It was a tough fight but we won, thanks to the many diligent, hard working people who volunteered their time and talents.

The school board meeting was held the second Monday of this month because of the holidays. This meeting was a short meeting with mostly reports and discussion of the coming school bond election for the new high school. The election will include Walnut Creek, Lafayette, Orinda and Moraga.

All areas will feed into this high school but Walnut Creek. The original bond passed covered their new high school. So in extending the bond they are included.

Mr. Toll appreciates the good attendance. He said there were 25 or 30 people at the board meeting.

**DON FAULKNER** gave a report on the meeting he and Rex Collins attended in Long Beach. This was a meeting of the school board association, discussing education in general and what other schools are doing.

Bob Trask reported on the math meeting he attended in Monterey. The curriculum committee report was given by Bob Amer.

The Stanford School Planning Preliminary report was given by Ira Ralston. This is the survey of the area and future school planning that the school district is hiring done.

Principal Toll reported on the construction of the new Camino Pablo School and the attendance increase.

The Moraga Fire District is looking to the possibility of relocating the station in the Moraga township. Exploratory inquiries are being made. They now occupy the wood frame building supplied by Utah Construction, which they don't lease or own.

With Moraga growing as it is these quarters will become in-

**RELOCATION** of the wood frame quarters now occupied by the Moraga station of East Contra Costa Fire Protection District may be required by the continued expansion of the district. Considered is the old Moraga School site. Pictured from left are Ed Lucas and Louis Mussand.

## Moraga Valley Community Club Meets Tuesday

"The Coming School Bond Election" will be the subject discussed by Ross Reagan, business administrator for the Acalanes High School District, when he addresses a meeting of the Moraga Valley Community Club on Tuesday.

The meeting will be held at 8 p.m. in the multi-use room of Miramonte High School. Vincent Young, president, announces an opportunity to question the speaker will be provided.

Also on the agenda will be a report by Select Committee on the zoning problem, appointment of committees for the coming year and agendas for future meetings.

Young also states that voting registrars will be present to help those who need to bring their registration up to date.

Officers of the Moraga Valley Community Club, in addition to Young, are Bruce Barclay, vice president; Dolores Campanile, secretary; and Berta Cunningham, treasurer.

adequate as far as space is concerned.

**THE OLD MORAGA** School site is one possibility that is being considered. This school was abandoned by the school district after the Rheem school was built. It is now being used for Sunday church services and general meetings of the area.

Chief Al Baitz said this site could be converted for fire district use. No formal negotiations have been entered into with the Moraga School District officials as yet.

The commissioners of the East Contra Costa Fire District are negotiating to acquire a one-acre site on Marsh Creek Road, near the county prison farm. This site will be for the future fire station to be built at that end of the district to meet expected growth there.

The Marsh Creek station is now located in a temporary building at the county farm.

**THE RHEEM** firehouse in the Rheem Center is the only modern station built specifically for firehouse use in our East Contra Costa Fire District. Speaking of fires the Timmon's of Orchard Dell gave the neighbors an exciting evening.

Something in the oven caught on fire. Ted had run next door for something. Willie in her excitement called the fire department. The engines came screaming down the street followed by a line of 25 volunteers, causing a traffic jam out here in the country. It wasn't much of a fire but it was exciting while it lasted.

## Larinda Chapter Toastmasters To Meet Monday

Larinda Chapter, Toastmasters International, will meet at 7 p.m. Monday at Gimbo's Restaurant in Rheem Center.

Lloyd Nass of Walnut Creek will act as Table Topics master. John Almond of Orinda will be toastmaster. This meeting will be the third round of the annual "speakoff" or elimination contest by which the chapter selects a member to enter the area, state and national competition.

Contestants on Monday will be William Hockheimer and Delbert Turner of Lafayette, Carter Miles and Judson Krueger of Walnut Creek and Al Bishop of Pinole.

The campaign for new members resulted in the addition of Earl Simpkin to the roster. Ed McDonald, a former member who was out of the area for two years, has rejoined.

There are still vacancies in the chapter and men interested in improving their ability to speak to others are invited to phone for information to chapter President Judson Krueger at YE 5-2395.

## Old Moraga Fire Station May Be Relocated Soon

Continuing expansion of the East Contra Costa Fire Protection District may soon necessitate relocation of the Moraga townsite station.

Now located in a wood frame building supplied by Utah Construction Company but occupied without lease or ownership, officials believe the existing facilities will soon become inadequate from a space standpoint.

Among the possibilities considered is the acquisition of the old Moraga School site, abandoned by the school district for larger and more modern buildings.

The old school building now used only on Sunday for church services could be converted for fire district use, according to Chief Al Baitz.

Moraga School District officials said no formal negotiations for the old building had been made as yet.

At present the East Contra Costa County Fire District has only one modern station constructed specifically for firehouse use. It is located at Rheem.

## Carl Booth Is Promoted

Carl V. Booth, manager of Oliver Tirecap Supply Company, Oakland, since 1955, has been named vice president of the company, according to Griffith F. Oliver, president. Oliver Tirecap Supply Company is the national distributor of Oliver tire tread rubber and tire repair materials.

Booth, who has been identified with the tire industry since the beginning of his business career over 25 years ago, has been associated with Oliver Tirecap since 1952. His specialized experience in tire treading has contributed greatly to the successful nationwide distribution of Oliver tread rubber.

## Moraga Women Organize New Republican Club

Several women of the Moraga Valley met recently at the home of Mrs. Harold C. Bates for the purpose of forming a Republican Women's Club in the area.

Mrs. Thor Kofod, regional vice president, Northern Division of Republican Women, and Mrs. Donald Krotz, first vice president, Northern Division of Republican Women, were present to explain the details of forming a club of this type. They also told the group about the many interesting prospects and work to be started as soon as the club receives its charter in February.

Mrs. Bates was appointed temporary chairman until the election of officers at the next meeting which will be held Thursday, at 9:30 a.m., in the home of Mrs. Dirk van der Burch. At this time the bylaws will be discussed, the charter signed and officers elected.

All Republican women in the Moraga Valley are cordially invited to join. Those planning to attend the next meeting may contact either Mrs. van der Burch at DRake 6-4280 or Mrs. Herbert Cunningham at DRake 6-4198 for further information.

Present at the meeting were Mesdames Thor Kofod, Donald Krotz, William Danska, Dirk van der Burch, William Gries, Richard Kingsley, Charles Lendrum, Herbert Cunningham and Harold C. Bates.

## Craig Sherman Will Become Bar-Mitzvah

Rabbi David Robins will officiate at the regular Friday night services at 8:30 p.m. at the Contra Costa Jewish Community Center, 3800 Mt. Diablo Boulevard, Lafayette, when Craig Sherman, son of Mr. and Mrs. Sy Sherman, will become Bar-Mitzvah.

Cantor Henri Goldberg will chant the service, assisted by the Center mixed choir with Shirley Moore at the organ. Harriet Daneiko will be the soprano soloist. After the conclusion of the services the parents of the Confirmand will be hosts at a reception.

## Polynesian Holiday Theme Set for Voyagers Dinner

The second annual Voyagers Dinner will be held in the Fellowship Hall of the Lafayette Orinda Presbyterian Church, tomorrow. The Voyagers are composed of members and interested friends of the church, divided into four ships, which meet each month.

Each year in January the ships and their cruises with a dinner and combined program. All names are placed in a basket and the four new captains draw their ships personnel from the basket.

**THE WINDJAMMERS** and Corvettes (Captains, Mr. and Mrs. Clint Cooper and Mr. and Mrs. Raymond Dear) the hosting ships this year have chosen as their theme "A Polynesian Holiday." Lichee Hwon Restaurant

## Music Teachers Ass'n To Meet

The Music Teachers' Association of Contra Costa County will hold its semi-annual business meeting Tuesday at 8 p.m. in the West Room at Diablo Valley College. Soprano Marion Steinberg will entertain in the social hour following the business meeting.

Marion Steinberg will sing a group of seven songs by Hugo Wolf which have been translated into German lieder from a book of Italian poems. Miss Steinberg is well known in the area by her concert appearances. She will be appearing at the Creative Arts Theater in Pittsburg under the auspices of the Pittsburg Symphony later this month.

Members will discuss plans for the scholarship benefit concert to be held in April under the direction of Clara Floyd. Proceeds of the concert are given to a student of music in the area, for continuing his studies.

Prospective members of MTA will present their students for audition February 12, according to president Italia Gambino. This is one of the requirements for membership in the association. Further details may be obtained from Mrs. John Hardy of Danville.

An excellent program has been planned under the chairmanship of Mr. and Mrs. Bert LaVigne and Mr. and Mrs. Roy Thompson. Heading all committees are Mr. and Mrs. Ralph Hickox as skippers of the whole fleet. Hickox is Director of Plastics Development with Dymo Corporation in Berkeley.

Mr. and Mrs. Frank Leibold and Mr. and Mrs. Hoyle Birkhead are co-chairman of the decorating committee assisted by an active group of members. The dinner committee is composed of Dr. and Mrs. Robert Harrigan and Mr. and Mrs. William Simpson. The ticket committee is composed of Mr. and Mrs. George Dibble and Mr. and Mrs. Loren Mowrey, with Mr. and Mrs. Channing Jones handling the drawing of names.

**THE RETIRING** Captains are the Mesdames and Messrs. Clinton Cooper, Max Coons, George Drake, Robert Hopper, and Raymond Dear. George Drake will become assistant Admiral for 1961. The new Captains are Mesdames and Messrs. Carl Ferguson, William Mariner, William Cary, and William Chilcote.

The Voyagers will honor those members and friends of the church who are transferring to the Moraga Presbyterian Church in the Lafayette Orinda Presbyterian Church.

Increased Participation By Residents Is Urged

By JEAN JERNIGAN

A three point plan for revitalizing the effectiveness and increasing citizen participation in the Lafayette Design Project was inaugurated Saturday at the organization's first meeting of 1961.

Gathering at the Home Builders Association Building, Mt. Diablo Boulevard, the new officers and membership formulated commitments to contact residents, civic and service clubs, business and commercial firms in Lafayette.

LOU REPETTO, elected Design Project president in December, said the committees would investigate these areas of concern, tell the story of the Design Project aims and principles, encourage participation, and report their findings to the membership at the next meeting.

"In the past," said Repetto, "the Design Project has been composed of real dedicated people, intensely interested in the future of our community. They have done a wonderful job, but now we would like to see more active participation of a greater number of people."

"In the past year we have had opposition from some merchants regarding the center strip. These are the people we most want to come to our meetings."

"RUMORS," usually distorted and incorrect, get started about our plans. We want those who are concerned with rumors to come to our meetings and get the full story. We welcome their participation. I would rather have a room full of dissenters than a group of 'yes' people."

The Design Project meets at 3462 Mt. Diablo Boulevard the second Saturday of every month at 9 a.m. Repetto urged that all

Work Begins On Aqueduct

Ground-breaking ceremonies Wednesday officially started work on Lafayette Aqueduct No. 2, a key project in the East Bay Municipal Utility District's \$283 million expansion program.

The aqueduct, nine feet in diameter and four miles long, will take four years to complete, at a cost of \$5.3 million. It will connect with the district's giant "M" Mokelumne Aqueduct in the hills west of Larkley Lane at Walnut Creek and will tie into Lafayette Tunnel No. 2 near Sunnybrook Drive.

The pipeline will cross the freeway via a tunnel at Brown Avenue and continue three miles along the right of way paralleling Mt. Diablo Boulevard to the Lafayette interchange near Pine Lane, then go beneath the freeway overpass to connect with the No. 2 tunnel.

The next meeting of the Design Project will be February 11. Repetto and the executive officers urge that all Lafayette residents and/or those with business interests attend this meeting.

Community Center Will Be Three Level Building

Proposed plans for the Lafayette Community Center were discussed at the center's board of directors meeting Tuesday.

A document presented by the Lafayette Junior Chamber of Commerce stated that when the proposed leveling of land, improvements of St. Mary's Road and drainwork are completed by the county, the Lafayette Community Center with parking facilities will be built if the necessary funds are collected.

FUNDS WILL BE derived from three main sources, service and fraternal groups and individual donors. Groundwork for this project was laid during the months of November and December when jaycees contacted various fraternal, service and religious groups for a list of their needs in a community center building. This information was coordinated with the Community Center group.

The proposal describes indoor and outdoor recreational facilities for adults and youngsters and was accepted by the board, "subject to modifications as needs indicate."

The three level building would be intended to house meeting rooms, an auditorium, exhibit facilities and such accommodations as indicated by community response. The building would be the center around which outside recreational areas will function.

You may be asked to sign a card in the near future—a card that pledges you to observe the "Open Housing Covenant."

What does that mean? It means simply that you will greet and welcome as neighbors, people of any creed, color, religion or racial origin.

High sounding words? Perhaps, but they are more important now than ever before.

**HERE WE SIT**, in pleasant Contra Costa County, shaking our heads about how terrible things are in New Orleans. We are horrified by the situation in Georgia. But what happens when it becomes a personal matter, rather than a remote happening? What happens when it gets close to home?

It is a challenge—an opportunity for each of us, individually, to test our beliefs, to search our own conscience.

If you are asked to sign one of these cards—the result of a meeting held last week at the Contra Costa Jewish Community Center and sponsored also by the Council of Churches—you will have to face your own beliefs.

Chances are you will not be asked to sign such a card. After all, there were only 125 people at the meeting, and there are only so many thousand cards to be distributed.

But whether you face the question only academically or in actual fact, you

still should come to a decision within yourself.

**THIS PROBLEM**—and it is a problem in each community in the United States—deserves careful personal consideration. The decision that you make, of course, is yours alone, and rightfully so, because we live in a country where freedom of thought and belief is a cornerstone of our way of life.

We feel that it is a good thing that this situation is being brought to the attention of people in this community—being brought out into the open so to speak.

We commend the groups that are doing this work. Spadework, actually, because it can only be a beginning toward an eventual solution of an age-old human problem.

It is a problem of public education, of changing times, of critical population expansion and increasing world understanding—and conversely, world tension.

**SUDDENLY REMOTE** problems have become problems that manifest themselves on our block, and problems of statesmanship become problems of personal conscience and belief.

Whether or not you are asked to sign this covenant, you should come to an understanding with yourself as to your feeling toward minority groups.

In these times, you cannot afford to do otherwise.

## A Few Things You Can Do...

Crime is not a particularly nice word. Generally it is something we read about, or talk about as happening someplace else, or involving someone else.

But unfortunately, as our area continues to grow, crime will grow with it. There is little that can be done about this.

If you read The Sun during the past few weeks, you may have noticed that there have been stories dealing with a particular type of crime.

Specifically, burglaries.

**LAST WEEK**, there were two daylight burglaries in the same community. Thieves simply entered the two homes and helped themselves. In both cases, the homes were locked, but the thieves managed to force entry.

Obviously our police and sheriff's deputies cannot be everywhere at once. They are alert, capable men, and they do their best, but they are faced with a tremendous problem in suburban communities such as ours.

What can you do to help them—and to help yourself, too?

For one thing, you can keep the door locked. Certainly this will not halt a professional or determined thief, but it will help to protect you against the door-to-

door salesman who finds that he can enter the house simply by walking in.

**IT WILL ALSO** help to protect you against juveniles who sometimes do tremendous damage just as a "prank."

You can form a community "protective association" where each housewife, or whoever is home, keeps an eye open for strange occurrences. For instance, if both members of your family work, it might be wise to have a neighbor keep an eye on your home.

It could save you costly damage and valuable personal possessions.

Naturally, when you go away for any extended time you will notify your police department or the sheriff's office that your house will be vacant, and they will check it periodically.

**ALSO, YOU WILL** not leave empty milk bottles and newspapers accumulated on your doorsteps as an invitation to burglars.

And perhaps most important. You will keep listed the emergency police and sheriff's office phone numbers for use in that emergency when you might be home.

There is not much else that you can do.

## They Need Your Help!

This is the time of year when you are asked to contribute to the annual March of Dimes drive.

In addition, there will be other drives coming along in the near future... the heart fund, crippled children's society, Easter seals and an assorted host of others.

These foundations, all do excellent work, and to the people who need their help, they are invaluable.

**THEY PROVIDE** aid and comfort to many that mere money could not buy. And always, they are using our funds to search for the basic answers to problems which have plagued humanity for centuries.

Many times the temptation is to say,

## The Staff Corner Let's Pinch Avocados!

By DICK OSBORN

Did you ever pinch an avocado?

Oh, come on now, be honest!

Did you ever succumb to the temptation to take just one grape from a bunch and munch on it while you did the rest of the family shopping... and you never had any intention of buying the whole bunch of grapes?

Have you ever picked up an ice cream bar while shopping, eaten it, and then thought about just disposing of the wrapper before you got to the check stand?

**THE FOIBLES** of shoppers in our supermarkets are pretty interesting to watch, and we'll bet that most of them are shared by the majority of people.

For instance, next time you go through the check stand, take a look at the miscellaneous items stacked behind the checker. They are all "rejects" from previous shopping carts.

Although few people would admit it, we'll bet, again, that the shopper went "over her budget" and found that, when the total came to \$21.25, she had only \$20. Back went that extra carton of cigarettes, or that ham they were going to put in the freezer.

Most checkers take this sort of thing in their daily stride, and they can smile at what, to you or me, would be an embarrassing situation. Sometimes, they can smile at things that don't seem so funny.

For instance, one girl checker told me

of the instance where a ham was "marked" at two pounds. She weighed it and found that it was much closer to five pounds. The customer, of course, no longer wanted it.

**WHAT HAD HAPPENED** was that the customer had "switched" labels on the pre-packaged meat, putting a smaller weight on the larger piece of meat.

The checker, of course, didn't accuse this shopper of anything. Simply pointed out that the weight was wrong, and the meat was then returned.

Most people are essentially honest, we feel.

So, what we are considering here is the almost irresistible urge to poke avocados to see if they are really soft.

We've noticed that one of the stores in our area has taken to sorting the avocados into three bins... one "ready to eat," the next "ready in two days," and the third hard as rocks.

**BUT DO YOU** think people believe the signs? Not on your life! They still poke the "soft" avocados... which then either go squish, or become softer... just soft enough so that when you pick one up for dinner it falls apart in your hand.

Of course, you don't succumb to this sort of temptation when you go shopping. Neither do we.

Now, if you'll just excuse us while we go wipe the soft avocado off our hands, we'll continue with our shopping.

### BLIND BECAUSE OTHERS WON'T SEE!

A simple thing, like ignoring a traffic light, can bring tragedy. Every day we injure, cripple, maim and kill thousands because drivers won't obey laws made for their own protection. That's the ugly truth behind 90% of all traffic accidents. You can help stop this senseless butchery. Drive more carefully. Stick to the rules. See that others do, too. Where traffic laws are strictly obeyed, accidents go down!

#### FACE THIS FACT

Drivers are the No. 1 cause of traffic accidents which last year injured 1,400,000 and killed 38,000. This year an increase is threatened. How long must this go on? YOU can supply the answer!

Or Flora or Nora... or Dear Theodora?

**NAMES** nowadays should not cause us to stew—

With the popularity of Deborah, the slews who are Sue—

It's simple!

You just pick out one of the two!

**THE NAMES**, pure & simple, of longtime duration

Won't do any more unless there's alliteration...

**LIKE** M. M. or B. B. with initials in tune...

Like Pamela Pillbox or Danna Van Deon—

Or Marcia Magpie or Meg Macaroon...

like a roster of Hollywood fame!

We ponder the names that we'd like to choose...

For the next one in our house who'll wear baby shoes.

We wade through the Toms, Dicks & Phillips & Franks...

The family tree & our relative's ranks.

**OH**, find us a name that will last through posterity—

One that a child can learn to write with dexterity.

**ONE** that a parent can call out with clarity & one not pro-

voking a teasing disparity.

**OH**, for a name that's solid, euphonious...

But Thaddeus is out & so is Thelonious!

## Letters to The Editor

MOVIES

Dear Editor:

Your column "Perhaps This Will Help You Select Good Movies" in the December 9 issue was brought to the attention of the executive board, Parkmead Parents and Teachers Anns. (Lower School) at its January 10 meeting.

**WE HEARTILY** endorse the letter written by the Miramonte Parents Club requesting you to publish an article on film ratings, using the Film Estimate Board List of National Organizations.

The overproduction of movies hardly suitable for adult showing only makes a reliable film rating a necessity.

**THE WIDESPREAD** use of such a guide by parents in determining whether or not their children shall attend movies in local theaters would soon have an impact upon attendance. The "paying ticket" is the key to support of movies—good or bad.

If our teen-agers and children were not allowed to patronize films of known low caliber and suitability, it would not be long before the law of demand would affect the supply.

**UNTIL PROTECTIVE** legislation in the movie entertainment field is forthcoming similar in effect to that of the sale of intoxicating liquor to minors, an unwavering vigilance must be maintained by groups of adults who have the interest of youth uppermost.

We feel that a review such as printed in your editorial would be of inestimable value in providing constructive information in regard to the final selection of shows for our children.

**MRS. HARRY M. CAMERON**, President, Parkmead PTA (Lower)

#### BIGGEST STORY

Dear Editor:

You've probably already caught this, but I just wanted to pass it along with my vote.

I wonder if any organization in our area would be willing to sponsor a showing of "Power Among Men" so we all might see it. It might stimulate a little positive thinking in these days when more attention seems to be directed toward limiting a person's freedom of thought and expression.

**P. E. GRAF**

(Ed. Note: The letter refers to a documentary film compiled by the U.N. which was presented recently over Channel 4 and was recently featured in a column by Terrence O'Flaherty in the San Francisco Chronicle.)

## County Park Personnel To Hold Meet

A workbook showing the future of Contra Costa County will be mailed to all administrators registering in advance for the first county-wide Institute for Group Work, Park and Recreation personnel, to be held at Diablo Valley College tomorrow.

Staff and commissioner or board members have been invited from all voluntary and public agencies as well as from church associations, school districts, PTA districts, industry and related county offices.

Brooks Kuehl, general chairman, announced that Gladys Snyder, recreation specialist from the State of California will be the keynote speaker.

She will point a direction for thinking on the part of the agencies represented, based on the facts in the workbook. Mrs. Wilma O'Donohoe, recreation supervisor for Richmond, is chairman of the workbook committee, assisted by Duane Mattison, county superintendent of parks, and Ralph Kramer, Executive Director of the County Welfare Council.

Ian McLaughlin, Walnut Creek resident and sales training manager for the California Packing Corporation, will act as presiding chairman for the day. Program chairman for the event is Mrs. Ruth Wallis, director of Parks and Recreation, Walnut Creek.

The Institute Committee requests registration of agency personnel so the workbook can be mailed in time for advance study.

Information may be obtained or reservations made by contacting the Community Welfare Council office, Room 156, Richmond Auditorium.

## Under The Sun What Are the Important Issues We Face Today?

By HERMAN SILVERMAN

What are the important issues facing the United States today?

This is the question asked a high-powered team of C.B.S. commentators at the Commonwealth Club in SF recently. The answers are mighty interesting and here they are in a nutshell.

(At the end of the column, the commentators answer, "How will change in administration affect foreign relations?")

**DANIEL SCHORR**, who covers Bonn and Moscow: The most important issue is the shift of the three big balances. There has been a shift in relationship of the Communist powers: Moscow is no longer the unquestioned leader of the Communist world. China has emerged as another force of great importance. Second, the U.S. is no longer the unquestioned leader of the Western camp. This is shown by her going to Western Germany to ask for financial help.

#### Will K meet K?

Third, there has been a shifting relationship between East and West. There is a question of what leadership will be exerted by Kennedy, whether Kennedy will meet with Khrushchev, what arrangements may be made in regard to disarmament.

**DAVID SCHOENBRUN**, who covers Paris: What we Americans do in regard to foreign policy is of most important concern to France and to Western Europe. There is a feeling that Kennedy, who spent his wartime service fighting in the Pacific, may have a different emphasis than Eisenhower, who defended Europe. Some think he may turn his back on Europe and turn to Africa, Asia and South America.

#### New friends or old?

Do we seek new friends at the expense of the old? Are we to attend to Latin America and Africa and let Europe go?

**RICHARD C. HOTTELET** (U.N. headquarters): The important need today is a reassessment of the American position. In the U.N. we have just witnessed a silly spectacle, with Castro trying to persuade the world that the United States is about to launch an invasion—and a sinister spectacle because it expressed the Soviet policies of breaking into the Western Hemisphere and lowering the repute of the U.N. This situation could trigger civil war in Cuba this year.

#### How did it happen?

How was it possible for the West to get into these difficulties? Simply because we let the Western Hemisphere become a vacuum—a place open to the introduction of Soviet power. We can fill that vacuum only with counter power.

**WINSTON BURDETT** (Rome): In Africa we need a new approach, a new relationship to the underdeveloped and uncommitted peoples. We need realization that for the new peoples the drama of the times is not the East-West conflict but the enormous gap between the way they live and the way we live.

The challenge facing us is to find a new way to bridge that gap, not merely economically, but through expression of mutual interest and sympathy. They have found they can get help as quickly from Moscow as from Washington.

#### Alliances—old and new

**BLAIR CLARK** (New York): Kennedy has indicated he gives top priority to the restoration of alliances with the rest of the world and the establishment perhaps of new ones. One problem that should be considered is neutralism.

**ALEXANDER KENDRICK** (London): One of the major issues is obscured by the fog of nuclear deadlock. Many other countries in a few years could develop atomic bombs. The issue of atomic disaster is a major issue before the leaders of the West and the Communist world.

#### What will Kennedy do?

**QUESTION:** How will change in administration affect foreign relations?

**Schorr:** Khrushchev has obviously left the door wide open for reappraisal of U.S.-Soviet relations. As in Russia the practice is to blame all the faults of the past on the departed minister, so Eisenhower is to be the goat, a la Malenkov or Stalin.

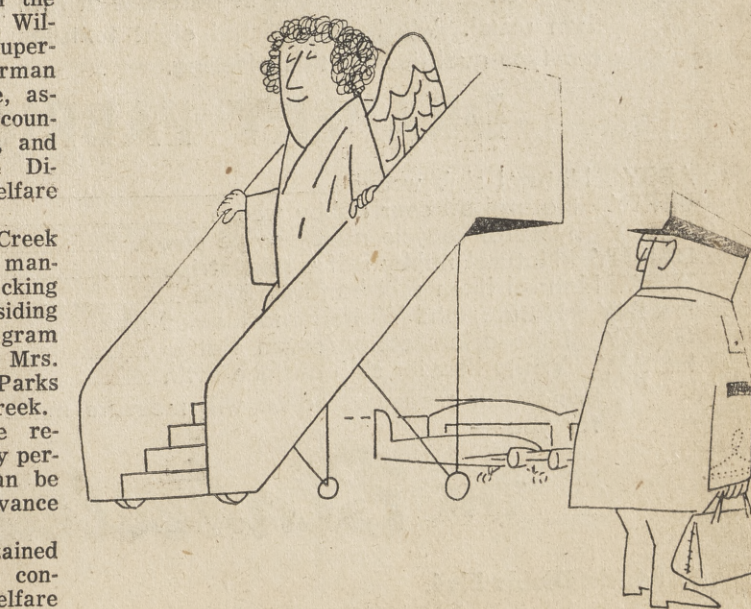

**HOTTELET:** One effect will be the arrival at the U.N. of Adlai Stevenson, a man of great persuasive ability, who appeals to the "eggheads" and diplomats with whom he will be surrounded. The big question is how his views will mesh with the foreign policy administrators in Washington.

**David Schoenbrun** (Paris): We must distinguish between attitudes of the governments and peoples of Western Europe. The people are excited about the possibility of dynamic new leadership in young Kennedy, but the governments are worried. They fear he "shoots from the hip."

**Clark:** We would be deluding ourselves if we think that Kennedy and the new administration will be making dramatic changes in policy.

Well, what do you think?

## Suburbia Today

## Ahwahnee Guild Holds Installation Luncheon

Members of Ahwahnee Guild, John Muir Hospital, gathered recently for their first annual installation luncheon. The luncheon at Kellogg's featured red and white table decorations.

Mrs. Robert Schroeder, newly elected president, received the gavel from Mrs. E. R. Bells, outgoing president. Installation ceremonies were handled by Mrs. Tudor Jones.

Other officers for 1961 include Mrs. Lloyd King, vice president; Mrs. George Grimes, treasurer; Mrs. Ben Tamplin,

secretary, and Mrs. Leigh Brilliant, parliamentarian.

A check for \$250 has been sent to the hospital fund, proceeds of the recent floral arrangement-lecture at Podesta Baldocchi in the city.

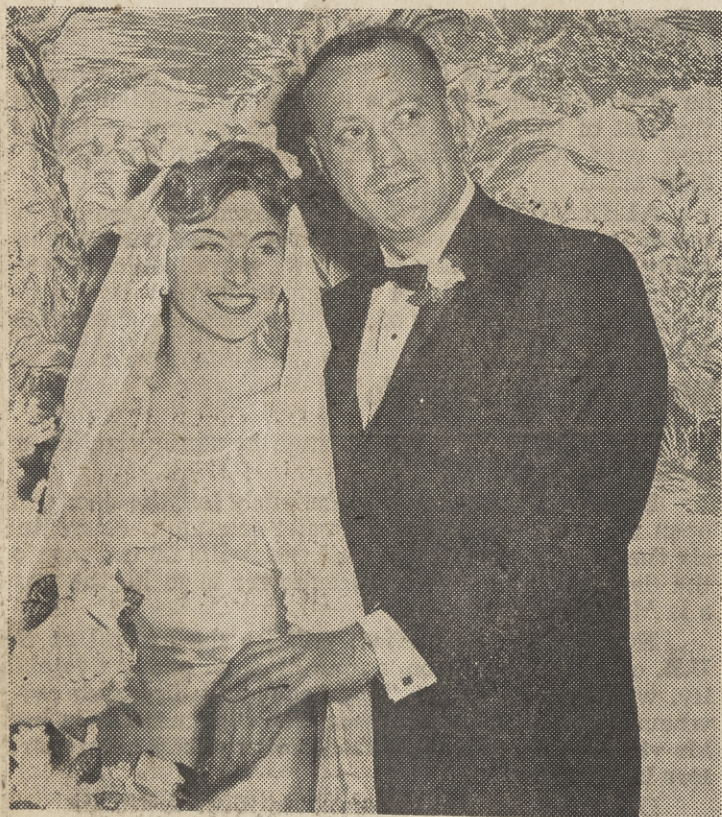

Recently 20 members and their husbands enjoyed a holiday dinner party, their final activity for 1960.

## Alpha Omicron Pi To Hold Fashion Show

"June in January" is the theme of the luncheon fashion show to be held by the East Bay Alumnae of Alpha Omicron Pi next Friday at 12:30 p.m.

Alumnae and actives are combining forces to present the event, which will feature luncheon at the Alpha Omicron Pi chapter house in Berkeley and a showing of spring clothes by William Silva of Oakland, according to Mrs. Robert Creighton of Orinda, chairman of the affair.

Decorations are under the supervision of Mrs. Gordon Phelps of Oakland.

## Elizabeth Rae Shipley Is Wed to Donald A. Weeks

Bouquets of white carnations, chrysanthemums and poinsettias and holly wreaths decorated the St. Stephen's Episcopal Church in Orinda for the December 30 wedding of Elizabeth Shipley to Donald Alan Weeks.

The bride is the daughter of Mr. and Mrs. William Henry Shipley of Lafayette. For her wedding she wore an empire style ivory satin gown with a cathedral length train.

Her veil of Brussels lace was also worn by her mother and was brought from Europe. She carried a bouquet of white roses.

Mrs. Harry Laughlin of San Diego was her sister's matron of honor. Bridesmaids were Mrs. Robert Morton of Menlo Park, Mrs. John Shepphird of Los Angeles and Mrs. Patricia Funk Newton of Marin.

The bridesmaids wore red, full skirted chiffon gowns and they carried gilded holly leaves. Red veils trimmed in gold

leaves were the bridesmaids' hats.

Robert D. Weeks of Pennsylvania was the best man and the ushers were Douglas Weeks of Orinda, Warren Hagstrom and William Langan.

For her daughter's wedding Mrs. Shipley wore a dress of gold brocade. Her corsage was fashioned from white orchids. Mrs. Weeks was gown in a blue print sheath. She wore white orchids.

Son of Mr. and Mrs. Robert H. Weeks of Piedmont, the groom was graduated from Piedmont High School and attended the University of California.

The bride graduated from Acalanes High School and attended several colleges. She is a member of the Daphne Branch of the Children's Hospital.

A reception at Lynn's Orinda followed the ceremony.

After a honeymoon in Carmel the bridal couple made their home in Oakland.

## Miss Brown, Downer Tell Engagement

At a family dinner, the recent engagement of Virginia Louise Brown to William Emile Downer was revealed.

Ginny, as the bride-elect is known to her friends, is the daughter of Mr. and Mrs. Bert Elman Brown of Strand Road, Walnut Creek. She attended Piedmont schools through junior high school, graduating from Tulare High School.

She is the granddaughter of the late Mr. and Mrs. Guy E. Brown of Livermore, Mrs. Joel Alden Packard of Ontario and the late Mr. Packard.

Her fiancé is the son of Mr. and Mrs. Dean Downer of Ryan Road, San Jose, and the grandson of Mr. and Mrs. Harry Saine of Morgan Hill.

Bill attended San Jose State and will be entering the Air Force Officers Training School at Harlingen, Texas, later this month.

No definite date for the wedding has been set but will take place shortly after Bill's graduation.

Virginia left today on a four-month tour through the South and East, her plans include New Orleans for Mardi Gras.

## Patricia Sorauf, Robert Fox Set Altar Date

Patricia Sorauf recently announced her engagement to Robert William Fox at a party in the home of her parents in Fresno and again at a cocktail party in the Fox home in Orinda.

Patricia is the daughter of Dr. and Mrs. Bernard M. Sorauf of Fresno. She attended Mt. Saint Mary's College in Los Angeles and graduated from San Jose State College, where she was a member of Kappa Kappa Gamma sorority.

She is presently teaching at the Monroe School in Campbell. Her only sister, Priscilla, is a second year student at San Jose State and also belongs to Kappa Kappa Gamma sorority.

Bob, who attended Acalanes High School, spent his service in the Coast Guard. He attended St. Mary's College and San Jose State.

He is the son of Mr. and Mrs. Lou Fox, long time Orinda residents. Mr. Fox is a Berkeley automobile dealer.

The young couple have set February 11 at their wedding date at a nuptial mass in St. Therese's Cathedral in Fresno.

## Frank Oliver, Patricia Brown Exchange Vows

Patricia Jane Brown became the bride of Frank Mitchell Oliver on December 18 at St. Andrew's Presbyterian Church, Pleasant Hill.

For her wedding the new Mrs. Oliver wore a waltz length gown of white peau de soie with a sabrina neckline. The bodice was fashioned from French imported lace. A Juliet cap held the bride's elbow length cloud veil.

The bridal bouquet was fashioned of Amazon lilies and stephanotis.

Mrs. Lenko Gazija was the bride's only attendant and matron of honor. She wore a green silk sheath dress and carried a French bouquet of red and white candy striped carnations and holly.

Donald Foster of Walnut Creek was the groom's best man. Seating the guests were Bill Gregory and Mack Williams.

Mrs. Brown and Mrs. Oliver were both gowned in green dresses and wore corsages of white phalaenopsis orchids. A reception was given at the church following the ceremony.

The bride is the daughter of Mr. and Mrs. F. Cecil Brown of Port Townsend, Washington. The groom is the son of Mrs. Rose Oliver of Sonoma.

## Craig's To Celebrate 50th Anniversary

Mr. and Mrs. Charles W. Craig of Walnut Creek will celebrate their Golden Wedding Anniversary Sunday evening at a dinner party at the Lake Merritt Hotel in Oakland.

The party will be given for them by the Craig's family.

Included among the guests will be the C. L. Craigs of Orinda, the R. P. Craigs of Walnut Creek and eight grandchildren.

A few friends have also been invited. Included among them is Rev. and Mrs. Challos of the Walnut Creek Presbyterian Church.

The anniversary couple live at 42 Connell Lane.

## Alpha Gamma Delta to Meet Mon.

Diablo Valley alumnae of Alpha Gamma Delta will hold their first meeting of the new year at the home of Mrs. L. Jack Block, 101 Meadow View Road, Orinda, Monday at 12:30 p.m.

Members are asked to bring a sandwich and dessert will be served. Gifts for the children at Las Trampas school for retarded children in Lafayette will be made during the afternoon, using the theme of Valentine's Day and Easter.

Mrs. William Newel, and Mrs. P. E. Golden of Orinda will serve as co-hostesses.

All Alpha Gams in the area are invited and are asked to call Mrs. Block, CL 4-3352, if they plan to attend.

## Lafayette Larks Date Mardi Gras

Starting off the New Year right will be the gala annual Mardi Gras ball given by the Lafayette Larks. This affair which has earned a reputation as a sparkling "fun" party, as well as being one of the major social events of the East Bay is held yearly for the benefit of the Mt. Diablo Therapy Center.

The clever invitations are now in the mail and from now until the February 11 date, members and their invited friends will be busy dreaming up appropriate hats for the occasion.

Reservations will be handled by Mrs. Ralph Ligon and Mrs. R. C. Stevens, in charge of decorations and providing a Mardi Gras atmosphere for the event is Mrs. Hal H. McDonald and Mrs. Harley Cook. Publicity chairman is Mrs. Ken Alexander.

## FIVE DROPS CAN SAVE A LIFE!

Oakland's Jeanette Voss runs a bird hospital. In one respect birds are much like people. The water they drink must be unquestionably pure.

Your EBMUD water qualifies. It's constantly being watched, tested, filtered. In fact, EBMUD is the only 100% filtered metropolitan water system west of the Mississippi.

The result? Pure, safe water that far exceeds standards set by U.S. Department of Health. Water that people (and birds) like to drink.

## Robert B. Muse III Weds In Pennsylvania Rites

A New York honeymoon followed the double ring ceremony which joined Gail Marie Reynolds and Robert B. Muse III in matrimony on December 17. The Reverend Dr. C. Dale D. Doren officiated the rite in St. Paul's Episcopal Church in Mt. Lebanon, Pennsylvania.

The bride, daughter of Mr. and Mrs. Fredric G. Reynolds of Middlegate Drive, Bethel Park, Pennsylvania, was given in marriage by her father.

She wore a white gown of silk mist taffeta, with a fitted bodice, bouffant street length skirt embroidered with seed pearls, and a matching bandeau holding a short illusion veil. She carried a bouquet of white roses and green ivy.

Miss Lynne Reynolds, sister of the bride, was maid of honor. She wore a peacock blue satin dress fashioned in the bouffant style with matching shoes and hat. Her bouquet was of pale yellow roses and ivy.

The bride's mother chose a gown of champagne lace with matching accessories and a pink orchid corsage.

Krov Menuhin of Nassau, Bahama, was best man. Arthur Reynolds, brother of the bride, and Arthur B. Bush were ushers.

Mr. and Mrs. R. B. Muse Jr., parents of the groom, from Lima, Peru, attended the wedding. Mrs. Muse wore an Italian silk print dress of olive green with matching accessories and a green cimbidium orchid corsage.

The groom graduated from Acalanes High School in Lafayette and is a graduate of Denver University in Colorado. The bride attended the University of Vermont.

After a wedding trip the couple will return to Denver, Colorado, where the groom is pursuing advanced studies.

## Joan Noonan, L. Ervin Plan June Wedding

Mr. and Mrs. William J. Noonan of Riverdale, New York, recently announced the engagement of their daughter, Joan P. Noonan, to Laurence F. Ervin, son of Mr. and Mrs. Walter L. Ervin of Walnut Creek.

Joan attended Elizabeth Seton School in Yonkers and was graduated from the College of Mount Saint Vincent. She is the granddaughter of the late John A. Noonan, general manager of the Keelox Co. and president of the Canadian Club.

Laurence is an alumnus of the University of California where he was a member of Psi Upsilon. He is presently a Lt. (JG) in the Navy and is in the Navy and is in charge of the hydrographic office in San Francisco.

The couple have set June as a wedding date.

## Catherine Ruminski Is Wed at St. Mary's Church

White chrysanthemums and candelabra decorated St. Mary's Church, Walnut Creek, when Catherine Ruminski became the bride of Michael Thomas Stryker on January 14.

The nuptial mass was conducted at 12 noon with Father McCarthy performing the double ring rites.

The bride, daughter of Mr. and Mrs. Alouis Ruminski, chose a gown of white peau de soie for her wedding. Fashioned with a fitted bodice, three quarter length sleeves, the gown was of ballerina length with lace inserts in the skirt.

A seed pearl crown held the bride's veil of shoulder length illusion. She carried a white prayer book and a bouquet of stephanotis centered with an orchids.

Margaret Ruminski was her sister's maid of honor. Another sister, Deanna, and Sue DiBetta were the bridesmaids. The bridal attendants wore sapphire blue gowns with matching crowns and veils. Their flowers were pink carnations, with the maid of honor carrying a bouquet of white carnations.

Mrs. Ruminski chose a gown of light cocoa draped faille with matching hat and brown accessories. She wore a white orchid corsage with her ensemble.

The groom's mother wore a sheath dress with a green hue, matching accessories and a golden orchid.

Son of Mr. and Mrs. Harry S. Stryker, Sr., of San Francisco, the groom chose his brother, Richard, to serve as best man. The ushers were his cousins, Ralph LaRosa and Manuel Bonici.

A reception following the ceremony was held at the Walnut Creek Women's Club. For her

going away costume the bride wore a lavender suit.

The couple honeymooned in Los Angeles.

## Vintage Fete Set for January 28

Children's Hospital of the East Bay will present its annual Vintage Festival Jan. 28. The scene will be set at the Turf Club of Golden Gate Fields for the affair which will be held from 5 to 8 p.m.

This is the fifth year that the Vintage Festival has been presented by members of the women's auxiliary branches of the hospital.

Chairman of this year's Vintage Festival is Mrs. Everett Bertilio of Oakland, a member of Cedar Branch. Those assisting Mrs. Bertilio with arrangement from this area are Mrs. Clayton A. May of Orinda, a member of Azalea Branch and Mrs. Robert Gillfillan of Walnut Creek, a member of Laurel Jr.

Proceeds from the Festival will benefit the part-pay program at Children's Hospital of the East Bay.

**SAFEGWAY'S HAMS ARE "BEST", or your money back!**  
Here Are The Facts Mam ....  
In 1960, Safeway stores launched a rather unique ham selling program. This program continues to be a Safeway exclusive enjoyed by thousands of Safeway customers. There are no secrets or involved double talk regarding Safeway hams. Safeway uses 100% Small-sized Eastern hams. These hams are given a slow mild cure by the Dubuque Packing Company. A slow, controlled smoke-house treatment brings out mouth-watering flavor and consistent tenderness.  
Shanks are removed from each ham; shankless hams are cut in halves and each half VACUUM PACKED to "LOCK IN" all the goodness of freshly smoked flavor.  
• Now Safeway offers **WHOLE SHANKLESS HAMS** . . . **VACUUM PACKED** as well as either full half at the same low price!

## The Sportsmen

### WC Sporstmen Club Meets: It's Too Cold To Fish

By LARRY JACKSON

Let's face it. It has been just too chilly and uncomfortable for most of the fishing clan. Fish are out there, but the bones don't exactly relish the chill. I found most of the operations open and ready to go, but few clients.

Four Pittsburgers braved the chill during the week at McAvoy's Harbor—all boat owners—and all registered fish. Al Viscuso, R. J. McCrosky, J. Sinich and Vince Bruno braved the elements to register strippers from three to 15 lbs., with our fish addict friend Vince also decking a 51 inch sturgeon.

**THE ONLY** other attraction worthy of note was a change of ownership at Whites Fishing Resort. The name will be retained but that is all. Dallas "Dal" Hering is now the new owner and plans several changes in camp and fishing conditions. Dal is a former Orinda resident, but will now live on the property. He was also connected with the State Division of Small Harbors and certainly knows his way around the water front.

More small craft and motors will be available and better pier facilities for the shore and pier fishermen. Eddie Lockhart is being retained as dockman and incidentally Ed knocked off two strippers in the five to seven pound class over the weekend.

**WISE** fishermen will drop in and meet Dal and take advantage of the better conditions for your favorite sport. Plenty of flounder, fellows, so come prepared.

Now that fishing is at a semi-standstill and hunting is dead for the year, let's step into the Sportsmen Club den—

I attended the Walnut Creek Sportsmen's Club Inc. meeting last January 10. It was a gala meeting. I met a fine group of "sports" and local area business men. The boys were polishing off a "high-vote" venison dinner with all the trimmings, supplied by club members, when we arrived.

**PREXY** Dick Hinkson opened the festivities by introducing visitors and new members. This guy Dick is our neighbor and we didn't know it—ha. Jim Buck, Concord, another we have known in name only for years, head of the entertainment committee, announced that the first social meeting of the year will be held February 14 and will consist of a series of fine films of big game hunting in Idaho and Montana.

We know these films and personally urge all readers of this item to attend. You do not have to be a club member. Scenes show beautifully scenery, the stalking of game, thrilling "kills" and bits of interesting game highlights. Listen—you are all invited.

**JIM MONK**, Concord, NRA Hunter Safety Instructor, announced that with the combined efforts of the Baypoint, Concord and Diablo Clubs, a parcel of land had been acquired outside Port Chicago for a shooting range.

Pits for large bore, small bore, pistol and juvenile work will soon be available. Later, trap, skeet and possible a duck tower will be in operation. However, help is needed and all members and friends are urged to join in the cause.

Jim will personally open a series of classes for boys and girls 12 years plus, the ethics of hunting and gun handling. Your teen-agers do not have to be club members but you must have parental permission and your equipment. Tell dad and mom about this kids, then call Jim Monk, MU 5-0933 and enroll as classes start NOW.

**NEXT** on the agenda were trophy awards for the past year. Top award man was Olin Eddy, Sports Chalet, with three—top trout, six and one-half pounds; top out of state deer, and top coast deer. Fred Gobell (W.C.), no relation to George, knocked the top deer at 18½ lbs., for salmon it was huge Yeager, Concordian, at 24 lbs.; Charles Allen topped the biggest inland deer; Art Evans plucked a 24 inch tail from a beautiful pheasant to set in tops, and Chet Arthur boasted a 2½ pound black bass for the best in this category. He also is a W. Creeker.

The meeting closed with a bang-up liars contest and when the smoke of verbal battle cleared, local pill peddler Harold Selvy and his pet whale story garnered the Liars Trophy.

It was a pleasure to meet a fine gang of sports and visit their attractive clubhouse—see you later, fellows.

**FOR** the sports minded, Pete Amato along with sons Jack and Vince, will present one hour and twenty minutes of fine Klondike hunting films at their dining room, Martinez, tomorrow at 8 p.m.

It is all for free and these pictures of Great Dall Sheep, Kodiak bear, polar bear and the general fall hunt are well worth viewing. Just visiting Amato's is pleasure enough.

### Miramonte, Acalanes And Las Lomas Post Wins

Results in the Foothill League basketball play last Friday found Acalanes, Miramonte and Las Lomas posting wins.

Las Lomas rolled to an easy 72-47 victory over Alhambra in a game played at Martinez. The Knights were never in trouble, as they held a comfortable 34-22 half-time advantage.

Bob Nichols of Las Lomas hit for 21 points to grab scoring honors for the evening.

Alhambra's Jim Hammett contributed 19 points for the losers. Acalanes, playing their best game to date, blasted Piedmont, 50-30, in an afternoon contest on the losers' home floor.

The visitors held a 12-point, 27-15 lead at half time.

Dennis Herrick topped the scoring with 11 points. Teammate Dave Stegman had 10.

Bill Clayton and Rick Prestwood each had 10 points for Piedmont.

In the third league game of the day, Miramonte kept their win

streak alive as they topped San Ramon, 64-53.

The Mats found the going a little rough in the early stages and trailed 28-27 at the half.

The third quarter saw Miramonte break the game wide open as they outscored San Ramon, 18-9, to lead 45-37 going into the final stanza.

Bill Caldwell and Jack Gilbert paced the Miramonte team with 27 and 23 points respectively.

**HOWEVER**, it was San Ramon's K. C. Evans who copped individual honors as he pumped in 29 points.

In Bee games, Alhambra defeated Las Lomas with Bill Stedman scoring 17 points for the winners.

Acalanes dumped Piedmont's Bees, 37-29. Bob Wolfe of Piedmont had 17 points, while Cary Miller topped Acalanes' balanced scoring with seven points.

Miramonte edged San Ramon in the other Bee contest, 34-30.

## The Ski Line

### Number of Skiing Families Increasing All the Time

By HEC HANCOCK

The next time you frequent your favorite Sierra slip and slide emporium, check the number of families with youngsters populating the slopes.

The number is surprisingly large and rapidly growing.

Considering the logistics involved in moving the average family to and from the slopes, it is even more amazing. Then, too, no matter how you figure it, skiing can't be considered inexpensive. By the time your group is outfitted, the trip made, and board and lodging obtained, the amount involved is of considerable consequence. Added to this are the costs of ski lifts, and possibly lessons.

In view of the costs involved, it would seem that skiing would inevitably be destined to be confined to youngsters, young adults and young married couples.

**HOWEVER**, the number discovering that skiing lends itself ideally as a family function seems to be growing in leaps and bounds.

A ski trip can become an adventure for every member of the family. The change of scenery, the opportunity to get out into the crisp mountain air, the Alpine atmosphere, make for a wonderful family holiday.

Every member of the family can enjoy the skiing at his own level. Mom and Dad and the kids can participate as a family, and figured on this basis, the costs don't seem as prohibitive.

There are a number of things you can do to enhance your family outings, and at the same time keep the costs to a minimum. As with anything else, we all have our problems, so naturally there isn't any panacea for one and all. There are some ideas that can stretch your skiing dollar further.

**USUALLY** the first item to be considered is equipment. If the family is fairly large, pick up the equipment a piece at a time, and supplement with rentals. Buy good equipment, and it can be passed on to others.

Cheap boots, bindings, parkas and pants just won't stand the gaff. In recent years there has been a large influx of inexpensive imports that haven't shown well under wear. Quality is the best bargain in the long run.

Lodging for a family group, particularly if you make several trips each season, is a sizeable item. Many families side-step this issue by limiting their safaris to one day. With the great improvement in highways, particularly Highway 40, the trip up and back in a single day is not too taxing. In this manner, you are able to stretch out the number of trips, and cover more areas.

**THE SKI** club offers an ideal solution to many. Not only do you have the association with a gregarious group, but usually lodging is available for considerably less than would otherwise be the case. The Mt. Diablo Ski Club with their present lodge at Squaw Valley is a good example.

Several local families have rented chalets for the season at their favorite ski area. Dr. George Redmond, wife Jackie, and daughters Debbie, Krista and Lisa have taken a chalet for the season at Squaw Valley.

Their open house over the holidays attracted approximately 30 informal drop-in guests.

Alec and Barbara Lindsey have also leased a chalet at Squaw for the season.

Jack and Gini Simon, together with Todd and Pam, have rented a spot near Rainbow Tavern.

**MARGE** and Dick Banwell took off for a day of skiing at Echo Summit last Saturday with a group of nine youngsters. Included were Pete, Nora, Tommy and Paddy Banwell, Steve Bowen, Gail Wiley, Allan, Janet and Marilee Long.

### Drops Opener

Monterey Peninsula College nipped the invading Diablo Valley College Vikings, 29-28, in a tight defensive battle last Friday night.

It was the Coast Conference opener for both teams.

Baskets were few and far between for both squads, especially in the first half, which found Diablo on top by a 9-7 score.

### Miramonte Defeats Dons To Grab Foothill Lead

In the feature agme of the week in the Foothill League, Miramonte toppled Acalanes, 41-27 in a battle of undefeated teams.

Miramonte now tops the league with a mark of 4-0.

Acalanes jumped in front right away and led throughout the first half, holding a 19-13 advantage at the intermission.

The home-team Dons went completely flat in the second half however, and Miramonte roared home a decisive winner.

**THE DONS** could muster only four points in each of the final two quarters.

Miramonte tied the game up in the third quarter, 23-23, and then ran away with the contest by outscoring the home team, 18-4 in the last quarter.

The big man in Miramonte's fourth quarter outburst was Bob Hudson / who collected eight points for a game total of 13 to lead all players.

Guard Bill Caldwell had 11 points for the winners.

Tom Strain and John Jones each had seven points for Acalanes.

The Dons trailed the visitors in field goals, 14-12, but the decided edge came at the free throw line where Miramonte collected 13 and Acalanes only three.

**THE WIN** gave Miramonte sole possession of the top spot in league standings as the circuit's only undefeated five.

The Dons, now 3-1, dropped to second.

**IN OTHER** league games Tuesday: The Piedmont clan had their big moment of the basketball season last Tuesday as they put on a scoring spree in the final quarter to upset the Las Lomas Knights, 57-53.

It was a heartbreaker for the Knights to lose as they looked like sure winners through three quarters.

They held a scant 16-15 lead in the first quarter, but upped their margin to 34-25 at the half.

**THE KNIGHTS** then outscored Piedmont 13-10 in the third stanza to lead 47-35 going into the decisive final minutes.

In the fourth quarter the Piedmont five suddenly caught fire

as they caught and passed a bewildered Las Lomas team. The Knights could do nothing right as they scored a mere six points.

Both teams took a few shots from the floor, but hit for an amazing percentage.

**PIEDMONT** made good on 23 of 31 shots for 74 per cent while Las Lomas hit on 20 of 32 attempts for 63 per cent.

Rick Prestwood led the winners with 22 points, scoring 10 field goals.

Bill Clayton had 11 points and Craig Coalsley had 10, also for the winners.

The Knights were paced by Bob Holcomb who scored 16 points. Rene Brundol had six field goals for 12 points and Bob Nichols had hit on eight charity tosses and also scored 12 points for the losers.

Alhambra and San Ramon, two teams seeking their first league wins, put on a real scoring battle last Tuesday before Alhambra finally won, 77-60.

The San Ramon team scored enough points to win most games, but they could not contain the Bulldog offense.

Both teams had lost their first three league encounters.

Each team hit in double figures in all four quarters.

Alhambra hit for had 20 points or better in the last three periods.

The oWives trailed 15-14 at the quarter, but tied the score at 36-all at the half.

Alhambra then outscored the losers, 21-17 and 20-16 in the last two quarters.

**JIM HAMMETT** paced the winners with 21 points on eight field goals and five free throws. Morgan Groth cashed in on 11 charity tosses and wound up with 19 points.

Dennis Watson hit for seven field goals and 14 points for the winners.

San Ramon had plenty of shots, taking 78 and making 29. Alhambra hit on 28 of 57 tries from the floor.

Alhambra was deadly from the free throw line as they made good on 21 of 27 attempts. Groth hit on 11 of 12 chances.

San Ramon could muster only 11 points in 21 tries from the line.

### Youth of the Area Can Learn to Bowl At Free Clinics

East Bay Bowling Proprietors Association is sponsoring Youth Bowling Week, January 28 through February 4. If reception to the program is good enough, the program will be continued through February 11.

The program will consist of at least four hours of free instruction for youngsters nine to 18.

There will be free use of bowling shoes and all bowling facilities and expert instructors will be in charge.

All bowling alleys in the area will take part in this program. They are Rheem, Walnut Bowl, Monument, Pacheco and Concord. The instruction period will be held after school and on Saturday mornings. At the conclusion of the Youth Bowling Week, leagues will be formed during these same hours.

Vance Haswell, in charge of the Central Contra Costa County area for the association, stated that "The association feels that bowling is a healthy, active sport. By encouraging youngsters to participate on an individual or league basis, we feel that they will be encouraged to grow into healthy, active citizens."

He said that the Youth Week is the association's way of helping youngsters become acquainted with America's favorite participant sport.

### Fog Can't Stop Women Golfers

Heavy morning fog could not stop 47 members of the Contra Costa Country Club Women's Group from competing in their regular Thursday tournament last week.

Mrs. George Nash took first flight honors, with Mrs. Curtis Duncan placing second.

In the second flight, Mrs. Joseph Cavallero was the winner as Mrs. F. J. Partland, Mrs. C. R. Cooley and Mrs. Tom Branson tied for second position.

The top position in the third flight was shared by Mrs. Al Schopman and Mrs. C. S. Haley. Mrs. James Sturman was runner-up.

# Miramonte Tops Foothill League

## Mats Unbeaten String On the Line Tonight

The Foothill League plays another round of games tonight and at this stage of the schedule, the Miramonte Matadors appear to be the team to beat for the title. The Mats are out in front of the six-team league and are the circuit's only undefeated club.

Alhambra plays at Miramonte tonight and despite the Bulldogs big win this week over San Ramon, it doesn't look like they will be able to interrupt the Mats' win streak. The game is being played on Miramonte's home court.

The Bulldogs were the hottest team in the league on Tuesday as they racked up an amazing 77 points, the best scoring effort of any team to date.

MIRAMONTE, however, stresses defense as taught by coach Herb Grew who follows the Pete Newell system of play.

### FOOTHILL LEAGUE STANDINGS

Miramonte	4-0
Alcalanes	3-1
Las Lomas	2-2
Piedmont	2-2
Alhambra	1-3
San Ramon	0-4

Miramonte has a well-balanced team and can score when they have to.

Center Jack Gilbert who nudges the 6-6 mark, could wind up the season as the number one league center due to his fine all-around play.

Bill Caldwell and Doug Hudson have also been playing well and all things point to another Miramonte win tonight.

Alhambra has two good shooters of their own in Jim Hammett, Morgan Groth and Dennis Watson who between them netted 54 points against San Ramon on Tuesday.

LAS LOMAS, one of the pre-season favorites, had a good early start and appeared to be the top team as they went undefeated in the Miramonte Jamboree.

Since then, however, they have dropped decisions in league play to Miramonte and Piedmont. Their lone win came at the expense of San Ramon, who has yet to win a league contest.

The Knights are now on the spot if they are to stay in title contention.

The Knights play at home tonight, facing the Alcalanes Dons, who were riding high until they suffered a second half let-down and bowed to Miramonte on Tuesday.

This is a do or die game for Las Lomas and a most important one for the Dons if they hope to catch Miramonte. The game looks like a toss-up despite the different records of the two clubs.

THE DONS lack height and are having troubles holding their own on the boards. They also are having trouble in scoring from the field. In the last two games they could only muster 37 and 27 points.

Dennis Herrick, John Jones and Dave Stegman have been their top players so far.

The Knights on the other hand, have a decided height advantage and have some better than average shots in Bob Nichols, Rene Brandol and Rod Holcomb.

The home court advantage plus an edge in experience would seem to give the Knights the advantage in this important game. The winner of the contest should be the Mats' top challenger for the rest of the season.

PIEDMONT faces San Ramon at the Danville gym in the other league game.

The San Ramon Wolves are bringing up the rear in circuit play, but have been playing consistently better ball each time out.

They put on their best show of the season against Alhambra before bowing, 77-69 in the season's highest scoring game.

Piedmont has suffered losses to Miramonte and Alcalanes while defeating Alhambra and Las Lomas.

San Ramon has yet to win in league competition, losing all four of their encounters so far.

The big gun for Piedmont is Rick Prestwood who in addition to a fine floor game has a very good shooting eye. Last Tuesday he paced his team with 22 points.

K. C. Evans has been a steady point-getter for San Ramon and hit for 20 points in last Tuesday's high scoring battle with Alhambra.

THE GAME should prove to be a scoring battle between these two talented youngsters.

The teams take a break from basketball next Tuesday due to examinations.

## St. Mary's Five Idled by Exams

The St. Mary's Gaels are still idled by semester exams and do not get back into action until January 28.

The Gaels have a 914 overall record to date and are currently 1-1 in West Coast Athletic Conference play.

Their last game was on January 7 when they defeated Pepperdine, 88-81.

## Early Showdown Today in League Wrestling Meet

Foothill wrestling opened their league schedule last Tuesday as Alcalanes trimmed Las Lomas and Miramonte defeated San Ramon.

The league lead will be decided today as Miramonte hooks up with the Dons at the Alcalanes gym.

The 18-match meet figures to be a good one with the Matadors of Orinda rated a slight favorite due to their outstanding record to date.

The Matadors' strength is centered around a trio of veterans in Steve Abbott at 127 pounds, Keith Thrall at 145 and Tom Fries at 191.

THE DONS' best bets to date have been Rick Butler at 120, Quentin Young at 138, Lee England at 175 and Denny Toll in the heavyweight bracket.

Both coaches will probably do some line-up juggling in this important match as the winner will gain the inside track to the league title.

In the other meet today, San Ramon travels to Las Lomas and this match also looks like a close affair.

San Ramon's best is Don Rett who is undefeated at 145, and Phil Bechel at 154, who last Tuesday upset Miramonte's Keith Thrall.

LAS LOMAS has a top performer and a league champion in Mike Lee, who has been going in the 165-pound class.

Bud Madren at 127, Barry Burlingame at 133 and George Williams at 138 are other top performers for Las Lomas.

Next week finds only one day of wrestling as the boys take Tuesday off for exams.

Matches next Friday find San Ramon at Alcalanes and Las Lomas at Miramonte.

COMPETING in the Bing Crosby Invitational Golf Tournament this week at the Monterey Peninsula golf courses is Diablo Country Club pro Ron Patten (center). Flanking Patten is Will Strong (left), Diablo assistant pro and sportscaster Bud Foster. Patten qualified for the Crosby with a two under par 70 at Richmond Golf Club.

The Pleasant Hill Rams led all the way in chalking up a 54-40 win over Pacifica last Tuesday.

The Rams jumped out in front 18-9 in the first quarter and kept their lead, 28-20 at the half.

The Rams cooled off in the third quarter, but the visitors were unable to take advantage of the situation. Pleasant Hill led 37-28 going into the final quarter.

Terry Hughes took individual scoring honors as he netted 18 points for the home squad.

PACIFICA'S Herb Johnson scored 17 points in a losing cause. Pleasant Hill hit on 18 of 40 field goal attempts while Pacifica scored on 16 of 42 shots.

The Spartans held an edge in the rebound department, 30-22. Center Dick Dale played a good all-around game for the Rams while rolling in 15 points.

The Rams, now 2-1 in league play, take on arch-rival Mt. Diablo at Pleasant Hill tonight and then travel to Antioch on Wednesday.

IN ACTION last Friday, Pleasant Hill ripped College Park, 58-29, as 10 players hit the scoring column for the Rams.

## Rams To Defend Wrestling Title

Four local wrestling teams will take part in the annual Bay Area Wrestling Meet sponsored by Hayward High School tomorrow.

The meet brings together, 16 teams in matches that begin at 11 a.m. and run throughout the day.

Finals will be held at 8 p.m. with medals going to the top four place winners as well as a trophy going to the top team.

Pleasant Hill won the trophy last year and figures to battle it out with Hayward for the top spot in tomorrow's meet.

Hayward defeated Pleasant Hill last week, 25-15, to end a long Ram winning streak.

The Rams have a well-balanced team with Lennis Colwell, Tom Foster and Dave Moore returning as defending champions.

Other teams entering from the local area are Mt. Diablo, Miramonte, Alcalanes, Pittsburg and Clayton Valley.

## Ronnie Patten Qualifies For Crosby Tournament

Fair skies and generally sunny weather has been predicted by the weatherman for the 20th Bing Crosby Golf Tournament this week at Pebble Beach on the Monterey Peninsula.

Local interest in the tournament has been stimulated by the appearance of three locals in the four-day affair.

Ronnie Patten, the sweet swinging pro at Diablo Country Club, has qualified along with his partner, Jay Bedsworth, a Lafayette restaurant owner, who has played in many Crosby tournaments.

Another well known Diablo member, Bill Rigney, manager of the Los Angeles Angels of the American League, has also qualified.

This is Patten's first crack at the Crosby tournament.

He qualified with a two under par 70 at the Richmond Golf Club.

The top pros in the country with well known amateur stars as partners teed off Thursday morning.

Each twosome plays a different course at Monterey during the first three days.

More than 100 pros are entered in the 72-hole, \$50,000 tourney.

## To Hold Benefit Skating Party

This Sunday evening, from 7-9 p.m., the East Bay Junior Ice Hockey League will hold a benefit ice skating party. The affair will be held to raise money for the purpose of acquiring needed equipment.

The Hockey League is a non-profit organization formed to give boys between the ages of 8 and 14 the opportunity to learn and play ice hockey. All the boys who participate in the Ice Hockey program of the organization are given an equal chance to participate in the games.

## Cancer Victims Can Get Supplies and Equipment

Families of cancer patients should know that when they have no other means of obtaining them, arrangements can be made for the loan of sickroom equipment and free supplies of dressings through the Contra Costa branch of the American Cancer Society.

Mrs. Anthony O'Neil of Alamo, service chairman for the county, announced details.

Mrs. O'Neil said that the society assists in locating needed items through its year-round information and referral services, which often uncover sources of help which the patient or his family do not realize are available to him.

WITH THE authorization of the attending physician, the society lends hospital beds and other specialized equipment for the home care of cancer patients if no other way of providing for them can be found.

Cancer dressings—frequently very expensive among the requirements of cancer patients—are distributed free by the society throughout the county as needed. These are prepared by the Danville chapter of the Order of the

Eastern Star. "The American Cancer Society's program of service to cancer patients is not as well known to the public as the society's programs of research and public and professional cancer education," Mrs. O'Neil said.

ANOTHER typical service provided for cancer patients is transportation to and from hospitals and treatment centers for therapy, Mrs. O'Neil said.

"But it is one of the most important functions of our branch," she added.

She said inquiries about the American Cancer Society's local service program should be directed to the Contra Costa County branch of the society at 2030 North Main Street in Walnut Creek.

## Leaders Hear About Civil Defense

Forty leaders of rural organizations met at the County Farm Bureau Building on Clayton Road, Concord, on January 5. Bruce A. Bell of the Region 7, Office of Civil and Defense Mobilization in Santa Rosa, presented information about the national rural civil defense program.

The meeting was sponsored by Paul Lamborn, county director of the Agricultural Extension Department of the University of California, and Will H. Perry, Jr., director of the County Disaster Organization.

Lawson Poss, assistant coordinator of Region 2, California Disaster Office, was also present. The kit offered to rural leaders lays out a four-meeting program to organize for rural civil defense measures.

## Miss Mary Smith, Friend, Honored Newspaperman's

Miss Mary Smith, assistant clerk on the Contra Costa County Board of Supervisors, will receive a watch and a diamond studded service pin, Tuesday at 2 p.m. for 30 years' service with the county.

The ceremonies will be held at the supervisors chambers in vice when news stories are

needed. A 15 year pin will also be awarded to Elmer Reinstein of 1090 Hacienda Drive, Walnut Creek, a public works truck driver.

Horace van Gorden of 505 Diablo Road, Danville, will receive a 10-year pin. He is judge of the Danville Judicial Court.

## Sustaining Drive for Scouts Due

King Parker, finance chairman and sustaining membership chairman of the Meridian District, Boy Scouts of America, announced that appointments have been made for the Boy Scout sustaining membership drive. It will begin the first week of February.

Chairmen are as follows: Paul

Tickner, chairman of special enrollments committee; Charles Stimpson, Walnut Creek and Sun Valley special enrollments chairman; Hadley Pell, Alamo special enrollments chairman; Peter Mattei, Danville and San Ramon Valley special enrollments chairman.

Handling units in the Walnut Creek and Sun Valley area are Elmo Rose, Leonard Rahn, Glen Lindsey, Leonard Faik, Walter Meyer and Tom Bond.

Al McClure is handling the Scout units in Alamo; Bill Diehl and Al Sperry, units in the Dan-

ville-San Ramon areas. Parker announced that Cub and Scouting units will be contacted.

## To Hear Civil Rights Speaker

Franklin H. Williams, assistant attorney general of California and an authority on civil rights, will speak before the student body of Diablo Valley College at 11 a.m. Friday in the college gymnasium. The program is open to the public.

## Illinois College Director to Visit Schools Wed.

John C. Hoy, Director of Admissions at Lake Forest College, Lake Forest, Illinois, will visit high schools in the San Francisco area, including Contra Costa County, Wednesday.

He will talk with students interested in attending Lake Forest in interviews arranged by the high school guidance counselors. Mr. Hoy will visit Miramonte High School at 11 a.m.

At 12:30 p.m. he will be at Acalanes High School and at 2

p.m. Las Lomas students will have a chance to talk to Mr. Hoy. LAKE FOREST is an independent, co-educational liberal arts college.

Its 98-acre campus is located on the shore of Lake Michigan in a suburban community 28 miles north of Chicago.

It has a current enrollment of 808 students from 31 states, the District of Columbia and seven foreign countries.

The school was recently listed in Time magazine's survey of the 50 outstanding small colleges in the country.

The physical plant of the college is being expanded with the construction of a \$1,700,000 science center.

# Here's How to Buy a Home in Contra Costa

Buying a home in Central Contra Costa should be one of the most satisfying experiences in a person's lifetime, and it can be if you go about it correctly, according to the Contra Costa County Real Estate Board.

After all, home is much more than a roof over your head. It's probably the biggest single investment your family ever will make. It's replacing the automobile as the leading status symbol in American life.

And, above all, it provides the all-important living environment which will strongly influence the happiness of yourself and your children for years to come.

EVERY FAMILY deserves to have the home best suited to its needs and resources. But too often people plunge into the market for a home with little or no idea of what is involved, what they really want, or what they actually can afford. All they have in mind

is a misty notion of their "dream house."

True, the selection and purchase of real estate involves many complex factors that require skilled experts who can render a service to help avoid headaches and possible pitfalls.

HOWEVER, THERE is much that you as a prospective home buyer can do to insure that your final selection will offer the lasting satisfaction you seek. Consider these "dos" and "don'ts":

1. DO decide about how much you are able and willing to spend on your home. It will make your house-hunting job much easier.

2. DO look around your area and pick out neighborhoods which appeal to you before you start checking individual houses.

3. DO come to some general conclusion about how large a house you want. Are you buying to accommodate a growing family and planning to live in the house

indefinitely, or do you want a smaller home now with the hope of a larger one later?

4. DO consider the relative merits of new and existing homes. While the new home may offer the latest in modern conveniences, the existing home often will provide a few special dividends such as an established neighborhood, more and larger rooms, and greater individuality of design.

5. DO select an experienced real estate broker to help you find the home best suited to your needs. A qualified broker will ease your search, answer all your questions, provide access to a wide market, explain and handle any complexities involved in the transaction, and help you find the necessary financing if you wish.

YOUR WISEST choice would be a Realtor—a member of the Contra Costa Real Estate Board, the National Association of Real Estate

Boards and the National Institute of Real Estate Brokers—and thus pledged to do business in conformity with a strict code of ethics.

1. DON'T be afraid to ask questions. Your Realtor is prepared to advise you on any aspect of home-buying. He can tell you whatever you want to know about construction features of the house; taxes; zoning; location of schools, parks, public transportation, churches, shopping centers and other facilities, and he will be glad to help you arrange the financing of your home.

2. DON'T involve yourself directly in negotiations with the owner. One of the big reasons for dealing with a Realtor is that he knows the desires of both parties, and it is to his interest to work out a mutually satisfactory agreement.

3. DON'T be mystified by real estate terminology, the approach

of "settlement day," or the much-talked-about "closing costs." Just ask questions. Your Realtor will be happy to explain unfamiliar terms. As for "settlement day," that is the time when you achieve home ownership status in what we hope will be your dream house.

CLOSING COSTS are nothing more than routine charges for a variety of standard services performed in the home purchase transaction. They may include government tax stamps, fire and hazard insurance, title search and appraisal fees, and charges for recording the deed and mortgage.

These charges vary according to the area in which you live and the type of house you are buying. Check with your Realtor ahead of time to learn about how much the closing costs will be.

There's no mystery in buying a home. You may get some addi-

tional pointers by writing for the free pamphlet, "Advantages of Home Ownership," to the National Institute of Real Estate Brokers, 36 South Wabash Avenue, Chicago 3.

## Sun Home and Garden

### Shade Trees Need Good Start for Future Joy

As you daydream about the years of pleasure you're going to get from the shade trees you're about to plant, don't lose sight of the fact that the project calls for some wide-awake planning. A good start in life is especially important with shade trees, for often dictates how well they perform later on. And if they are hastily planted they will seldom be parlayed into a fortune of shade.

Whether bare-root, balled or tubbed stock is planted, the ground must be adequately prepared. If fortune has dealt you a rich well-drained soil, you are lucky, indeed, and need worry little about success with whatever you plant.

Most of us, however, have problems of varying degree that some extra thought and effort will easily remedy. In all cases, the hole should be amply larger than the root ball spread. Where hard pan exists, that cementlike substratum that occasionally underlies a shallow garden top soil, make every effort to break it up so as to insure drainage and a better root run. Mix topsoil and gravel with the layer thus broken. In heavy clay or adobe soil, work liberal helpings of peat moss or manure into the soil well out around the hole before planting the tree.

Figure on planting the tree at about the same depth it was planted in the nursery. With bare-root stock, the ring left by the earth is clearly visible. Fill the bottom of the hole to the desired level with topsoil, mounding a pyramid of it under bare-root stock, then fill the hole slowly to make sure no air pockets are left. Immediately afterward, soak the roots in thoroughly.

### Start New Year By Planning for Better Gardens

Nothing so detracts from the pleasures of gardening as a haphazard approach to it. And the gardener who fails to realize this will soon an ex-gardener be.

With a planned approach the homeowner can derive full pleasure from his garden. As with the picture on a jig-saw puzzle box, the garden plan presents an ultimate goal, and putting the pieces together is both challenge and fun.

**TAKE PAUSE**, then, and give some thought to your own garden plans. Remember that not only new landscapes need a design, but old ones as well; and while your grounds may be completely planted, they are not necessarily offering you the fulfillment they could. There is much to be gained from redesigning a poorly planned garden.

Where to begin? Perhaps a landscape designer is your answer. Or, if you are imaginative yourself, you might work out a plan by getting ideas from magazines and applying them to your own needs.

More than likely, however, you will do as countless others have before you and start by consulting a local member of the California Association of Nurserymen, who in most cases have landscape departments.

**WITH YOUR** nurseryman's help, you can put a good plan on paper, and his suggestions for plant material will simplify the task no end. He will suggest which elements of the plan need immediate attention and which others can wait their turn—to be completed.

Before seeking help, measure the dimensions of your lot and put them in their proper proportion on a piece of paper.

### Annuals May Be Planted Now For Spring

Here are items for the gardener to check this week:

Planting should not be rushed if the ground is waterlogged from rain. Hold off until it dries out some.

As weather permits, plant annuals for spring bloom. Set out another planting of gladiolus.

Prune roses of you haven't already. Continue to plant roses and other bare-root stock.

Artichokes and asparagus—two perennial vegetables—can be planted in January.

Prune fuchsias between now and mid-February.
